Are You Wasting The Price Of a Titan Engine?

TITAN engines run on kerosene. Average cost of gasoline so far this year, 16.9 cents per gallon. Average cost of kerosene 7.7 cents per gallon. Gasoline costs over 100 per cent more than kerosene. Gasoline is going up steadily. Kerosene is not. At present fuel prices Titan engines, using kerosene, save their owners about 1.1 cents per horse power per hour. Are you running a gasoline engine? What horse power is it? Figure what you'd be saving if you had a Titan kerosene engine. Rather surprising, isn't it? How long would it take that saving to pay for a Titan engine of the same size?

SAVE THE SHEEP ?

Every farmer ought to raise some sheep. Had you ever thought about how much clear money there is in a bunch of sheep? They will yield more money than most any thing else on the farm. We know of some flocks of sheep that have produced more than 200 per cent clean cash in less than 12 months. Now, what can beat that? Nothing but more SHEEP. Improve your sheep until you have the very, very best.

WOOL! WOOL! WOOL!

Won't you bring or ship it to us, to be manufactured into fine large Blankets, Linsey, Jeans, Yarn, &c. ? Or we will pay best cash prices for same.

Write us right now, lest you forget, for samples, prices, shipping instructions, and other information.

The Poor.

The cold weather of the winter has set us all to thinking of the poor. We wonder to how many of us the weary, dreary phrase of hopeless poverty is anything more than a romance. Sitting in our warm and comfortable homes, by pleasant fires with luxurious beds waiting to receive our well-fed bodies, we can have no comprehension of what grinding poverty means than an angel in the full glory of paradise can know of the deep depths of hades. Think of No fuel, Absolutely none. No bed, but piled up rags; little children waiting with cold and helpless hunger; closets bare as old Mother Hubbard's; smells that reach high heaven in their foulness. And in their depth of poverty, to which even our imaginations can hardly descend, lies a lurking curse like the wild beast in its lair. The sordidness of poverty eats out the soul of a man as a tiger drinks blood. Brutality, apathy, the cruelty of fiends are begot when pride and ambition die utterly.

Respectfully submitted,
John W. Flowers,
Treasurer Town of Columbia.
Examined and approved by me as committee, this, April 3, 1916.
