THE SENIOR CLASS ORGANIZATION

Has the Academy senior class of '23 any pep? Well I'll just let you judge for yourself. A few days after school began, the class met and elected the class officers. I am sure that you will agree with me that they used good judgement when they elected the following officers:

Miss Mary Faulkner, president. Miss Clyda Nelson, secretary and treasurer.

Our president is working hard with the support of the others members to make this class the best that has been graduated from the U. C. Academy.

The Seniors have taken the entire responsibility of the Steeple this year. Miss Flossie Turner being editor in chief and Mr. Charles Heldrick business manager.

The class has organized a girls' and boys' basketball team.

The Senior class is very proud of the fact that it has so many talented members. Lola Vincent and Opal Gray have charming voices; Flossie Turner, Evelyn Black and Carolyn Stanfill are the readers; Ted Davies is the violinist and the star "speller" of the class.

Now do you not think the class will succeed in making itself one of the best that has ever graduated from Union Academy if it keeps up the spirit with which it has started?

Weak Back

Mrs. Mildred Pipkin, of R. F. D. 6, Columbia, Tenn., says: "My experience with Cardui has covered a number of years. Nineteen years ago . . . I got down with weak back. I was run-down and so weak and nervous I had to stay in bed. I read of

CARDUI
 The Woman's Tonic

and sent for it. I took only one bottle at first time, and it helped me; seemed to strengthen and build me right up. So that is how I first knew of Cardui. After that, . . . when I began to get weak and 'no account', I sent right for Cardui, and it never failed to help me." If you are weak and suffering from womanly ailments, Cardui may be just what you need. Take Cardui. It has helped thousands, and ought to help you. At all druggists' and dealers'. H 27
