

DISASTERS OF A STORM.

DESTRUCTIVE GALE OVER ENGLAND'S LAKE DISTRICT.

Great Damage Done to Property and the Shipping Interests - Austria United With the Other Powers to the Berlin Treaty-Bulgaria's Constitution. LONDON, Nov. 8.—The storm which broke over the lake district in England spread throughout Great Britain and an immense amount of damage to property and shipping is reported. The steamer Janet, from Dundee, was wrecked at Eyemouth and three persons drowned. A boat and wreckage has been washed ashore on the Cornwall coast. The boat had "Steamship Swiftsure" marked upon it. The Newcastle steamer Lord Jeffrey is overdue and it is believed that she is lost.

Austria's Position.

BUDA PESTH, Nov. 8.—The emperor Francis Joseph, in his address to the delegations, declared that Austria was united with the other signatory powers to the treaty of Berlin in an effort to localize the Bulgarian disturbances; that the powers would find a way to re-establish law and order in Bulgaria, and that they hoped to restore the legal constitution to the Bulgars soon, making all allowance for the lawful aspiration of the Bulgars consistent.

CHICAGO MERCHANTS VICTIMIZED.

A National Bank Contributes Three Thousand Dollars.

CHICAGO, Nov. 8.—George T. Comstock, Jr., the eighteen-year-old son of a wealthy lumber dealer, at Barrington, Ill., and H. D. Thaxton, an alleged crook, were arrested here, charged with swindling. It appears that Comstock and Thaxton have been knocking about the city for a couple of weeks badly stranded for want of money, and that the latter devolved on the younger man the onus of replenishing their empty purses. Comstock thereupon secured \$700 worth of cigars from Thorwald & Roehling on a forged order of a Barrington dealer. Then through his father's name, as alleged, he secured a larger amount of goods from John A. Tallman, wholesale grocer.

He next visited Marshall Field & Co.'s wholesale house and ordered \$300 worth of carpets, to be shipped to his father at Barrington, cash on delivery. On the strength of this order the dry goods merchant indorsed him for \$800 worth of clothes from Henry W. King & Co. His next exploit was to raise \$3,000 from the Chicago National bank on a forged draft. The goods shipped to Barrington were refused by Comstock's father, who requested the Chicago police to arrest his son. The detectives very soon after arrested both Comstock and Thaxton in a saloon where they made their headquarters. Thaxton is known to the police as a sharper, and he is now charged with being the cause of young Comstock's downfall. The latter's alleged pecuniations it is said will reach \$6,000.

A Tax Suit Decision.

CLEVELAND, Nov. 8.—In the United States court Judges Jackson and Walker decided a series of suits entered by thirteen national banks of Cleveland, Youngstown and Kyrin, O., against the treasurers of Cuyahoga, Mahoning and Lorain counties to prevent the collection of alleged excessive taxes. The banks claim that the rate of taxation placed upon their capital stock is much higher than that upon other investments. They also asked that the individual liabilities of stockholders may be offset on the tax list against the value of the bank stock as placed on the tax duplicate. The court sustained both claims made by the banks. The state and counties will lose many thousands of dollars. The treasurers will appeal to the United States supreme court.

Suspended for Neglect of Duty.

NEW YORK, Nov. 8.—W. A. A. Carney, who was repeatedly accused by the Henry George men during the late campaign of organizing fraudulent trades union meetings in favor of Mr. Hewitt, and the united Democratic ticket, has been suspended by Gen. Newton, commissioner of public works, for neglect of duty. Cornelius Donovan has been appointed in his place. Carney was appointed by Ex-Commissioner Squire, and held the position of inspector. October 26 he was reported absent for a week without leave or excuse, and Gen. Newton promptly suspended him. He reported for duty Wednesday morning, the day after election, but was told that his place was filled.

A Desperate Fight With Tramps.

ANNEVILLE, Pa., Nov. 8.—A gang of ten desperate tramps, full of liquor, entered the saloon of Peter Bachman Thursday night and made an assault on the proprietor, and a few other men who were there. An alarm summoned fifty determined citizens, who came armed and a desperate conflict ensued. Five men were seriously cut and otherwise wounded; Adam Bishop, a citizen, received a severe slash with a razor across the cheek; Henry Herr was stabbed in the breast; Adam Johnson and Thomas Hennings were wounded on the head. Two of the tramps, Hartung and Senett, were shot and captured. The balance of the gang escaped.

Championship Foot Race.

WICHITA, Kan., Nov. 8.—A foot race for the championship of America, between M. K. Kettleman, of Kansas, and Charles Gibson, of California, was run on the fair grounds. The stakes were \$5,000, and over \$100,000 was wagered on the result. The contestants started after several unsuccessful attempts. Kettleman sprang almost immediately to the front and kept the lead to the end, coming out four feet ahead of Gibson. Over 5,000 persons witnessed the race, among whom were present sporting men from St. Louis, Chicago and eastern cities. The distance was 1/2 miles; time fourteen and one-quarter seconds.

Carliate Accounts for His Small Majority.

NEW YORK, Nov. 8.—The World prints the following dispatch from John G. Carlisle, at Covington, Ky.: "Your telegram just received. The small majority in this district is due entirely to the fact that it was not supposed there was any serious opposition to me. The vote against me last Tuesday was not half as great as the vote against me two years ago, and yet my majority then was nearly 6,000. It would have been substantially the same this time if a full vote had been polled."
