

TOLL OF 24 LIVES TAKEN BY STORM

150 Injured and Property is Damaged in Kansas and Missouri.

Springfield, Mo.—Seven persons were killed and much damage done in the rich Wright county apple belt when a tornado swooped down between Mountain Grove and Norwood. All wires are down and only meager reports have come from the stricken district.

Kansas City.—Tornadoes spread death and destruction through rural districts of Missouri and Kansas. Reports showed fifteen were killed in Missouri and nine in Kansas. The number of injured has reached approximately 150 and estimates of the property damage place it anywhere from \$1,000,000 to \$2,000,000. The greatest loss of life apparently was in Boone county, Mo., where the tornado sipped here and there as it raged from the southwestern to the northeastern corner, claimed eleven persons. In Carroll, Chariton and Ray counties, farther west four are dead—three at Richmond and one at Whitam.

In Kansas the deaths totalled eight in the country southeast and west of Topeka, one other was killed at Savannah, near Iola, where the tornado appeared early today.

The course of the tornado was marked by odd jumps. First it appeared near Topeka early in the day and then came to earth again in Ray county, Mo., shortly before midnight. Then it tore through a wide section of that county, wiped out half the town of Dean Lake, in Carroll county and then swooped down again, practically demolishing the little town of Whitam.

The tornado descended again at Providence in the hills of Southwest Boone county and twisted its way through Midway, Prathersville, Hallsville and through Centralia after which it disappeared and was heard of no more until it struck Savannah, Kas.

WIFE KILLS HER TWO BABIES; ENDS LIFE

Russellville, Ky.—Mrs. Henry Hutchinson, 22 years old, cut the throats of her two young daughters, aged 4 years and 10 months, and then committed suicide at the Hutchinson home, ten miles north of here Wednesday late. Hutchinson, who is a farmer, found the bodies of his wife and children on his return from the fields. A bloody razor was found on the floor near the wife's body.

Sheriff James S. Taylor and Coroner J. I. Rice announced that a thorough investigation would be made of every circumstance connected with the tragedy. Hutchinson said he knew of no reason why his wife should wish to end her life or ill their children unless it was through the fear that he would be drafted for service in France.

FIGHT OVER THE WAR

Follows Argument Between Two Owensboro Attorneys.

Owensboro, Ky.—Albert B. Oberst and L. P. Tanner, two prominent attorneys of the Owensboro bar, engaged in a fistie encounter on the main square Wednesday as the result of an argument over the war.

Oberst is the son of one of the most prominent citizens of this county, and when Tanner and he engaged in an argument the lie passed. Each of the men struck the other and they clinched before bystanders could separate them.

NEGRO TRAITOR CAUGHT

He Tried to Keep Colored Men From Registering.

Bowling Green, Ky.—Eugene Hardin, colored, aged twenty years, was lodged in the Warren county jail following an examining trial at Russellville on a charge of committing treasonable utterances and acts against the United States Government. His bond was placed at \$2,500. Hardin, it is alleged, attempted to dissuade negroes from registering, and is said to have stated that if he was of age he would fight for Germany.

HELD FOR LARCENY OF \$65,000.

New York.—Robert Moore, sales manager for William R. Craig C. Co., cotton and grain brokers, was arrested here charged with the larceny of \$65,000 of the firm's money. The police said Moore confessed that his speculations may amount to \$150,000. He admitted speculating in cotton and wheat and the use of the firm's money after his own savings were gone. He had been with the firm

for thirteen years and had a salary of \$100 a week.

GIVE UP MYSTERY OF 'IRON COFFIN'

Morris, Ill.—The Man in the Iron Coffin" mystery has been given up here after five months' effort at solution. The coffin accidentally disinterred in the city cemetery, has been reinterred in a remote section of the graveyard with a marker above without a name.

When the body was dug out of the earth no record could be found to identify it, none could remember the man.

Even the fact that the coffin was made of iron failed to stir up identification. Not even the eldest residents could remember such a case.

BRITISH AVIATOR BURNED TO DEATH

Deseronto, Ont.—While flying with Vernon Castle at Camp Mohawk, Cadet W. E. Fraser, of Winnipeg, Man., was burned to death. Castle escaped with slight injuries. The two were ascending for instructional purposes when Fraser was seized with nervousness and lost control. The machine swept backward into the hangar and the gasoline tank exploded, setting fire to the hangar. Castle was thrown out when the aeroplane hit the shell.

AUTO KILLS TURKEY.

Someone driving an automobile Sunday, June 3d, on the Hartford and Centertown pike, ran over and killed a valuable turkey hen and chicken hen for Mrs. James H. Thomas, about two miles below Hartford. If people driving automobiles do not own poultry and have not the experience of hard work it takes to raise them, as well as the money invested in them, and realize they are being raised for the money they will bring that the money may be used for the necessities of life, they should, at least, respect their fellowbeings who do own these fowls, and are trying in an honest way, to earn a living. They would appreciate very much being invited to our country homes to a turkey dinner on Thanksgiving or at Christmas time. They really feel they deserve it, and should be our honored guests. Yet they don't respect us enough to check the speed of their car and save the lives of our fowls. They need not say they didn't see them, if it had been a rock or stump as large as the turkey or chicken hen they would have seen it. If the person driving this car is a gentleman or lady they will come and pay me the price of these fowls. (Mrs.) J. H. THOMAS, Hartford, R. F. D. 4.
