

That Fall Suit!

Do these crisp Autumn days make you wish for a comfortable feeling suit in a rich warm shade? The style of coat and skirt are sensible and elegant looking. Don't buy a suit that is skimpy in order to sell for a few dollars less. Buy a suit with a coat the right length and the skirt the proper fullness. We are showing some pretty models in Green, Navy, Catoba, Paupe, Resin and Black. The workmanship is all anybody could desire. Our stock is complete with raw goods in every department.

JUDGE TRIBBLE had Chief of Police Carter bring before him all of the Negroes in Macksville yesterday that were seen loitering around. The judge gave them to understand if they did not go to work by 1 o'clock that day he would fine them for vagrancy. Good. Go after them, good and strong.

BRONAUH NOMINATED.—Mr. R. H. Bronaugh, of Crab Orchard, was nominated by the democratic county committee here Saturday for magistrate to succeed Mr. J. Ward Moore, who had been elected in the February primary, but declined the honor. Mr. Bronaugh is a dyed-in-the-wool democrat, a most excellent gentleman, a man of ability and will make Lincoln county one of the best magistracies it ever had. We congratulate the committee on its excellent selection.

THE case of the Democratic Committee of Lincoln county vs M. S. Baughman was reversed by the Court Appeals Friday with directions to dismiss Mr. Baughman's petition. It will be remembered that in the democratic primary last February Mr. W. L. McCarty defeated Mr. Baughman for sheriff and received the certificate. The latter filed contest and the committee heard the contest and voted to sustain McCarty. Baughman claimed the committee did not act, but the higher court says it did act on the contest and that their action is final, as the court can only compel a committee to act, not how it shall act. Now let by-gones be by-gones and every man who participated in the primary that gave Mr. McCarty his nomination, show that he is a democrat by working and voting for the ticket from top to bottom. In this connection we wish to remind the voters, if there are any who are not disposed to support the whole ticket, of the moral obligation resting on each and every man who participates in any kind of a contest for a nomination for any office. The fact that a man seeks a nomination from a party is, of course, evidence that he has and expects to affiliate with that party in the future. It is therefore no less the obligation of him who sought a nomination to support the nominees of the party from which he asks honors, than it is the duty of all those who take a hand in making a nomination. And so, with the hope and with the firm belief that this obligation will be kept steadily in mind by the democracy of Lincoln county, we unite with a legion of other good democrats in asking that the McCarty-Baughman contest be put away with the things that are past and gone and that the solid phalanx of an unbroken party be presented to the enemy in November.

BEAZLEY-HARRIS.—Friday night at 8 o'clock, Mrs. Kathryn Grinstead Beazley became the wife of Mr. J. Randolph Harris, Rev. T. W. Barker, of the Methodist church, performing the ceremony. The wedding was a quiet one on account of the illness of the former's daughter and only a few intimate friends and relatives were present. The bride is a daughter of Rev. W. S. Grinstead, a former pastor of the Methodist church here, and is very popular and accomplished, while the man of her choice is one of Lincoln county's substantial as well as most excellent citizens, and their many friends here and elsewhere wish for them unbounded happiness.
