NOT THE ONLY ONE.
There Are Hundreds of Maysville People Similarly Situated.
Can there be any stronger proof offered than the evidence of Maysville residents? After you have read the following quietly answer the question.
Mr. A. W. McClanahan of 119 West Second street says:
"The use in my case fully demonstrated the value of Doan's Kidney Pills. I suffered more or less from kidney trouble for twenty years, steadily becoming more persistent as time passed on. My attention was called to Doan's Kidney Pills, and I got a box at J. James Wood & Son's Drugstore, corner of West Second and Market streets. The treatment so greatly benefited me that my only regret is that I did not know of this valuable remedy years ago, for had such been the case I would have been saved much suffering."
For sale by all dealers; price 50 cents a box. FOSTER-MILBURN CO., Buffalo, N. Y., Sole Agents for the United States. Remember the name—DOAN'S—and take no substitute.

Does It Pay to Buy Cheap?
A cheap remedy for coughs and colds is all right but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in other cases take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. For sale by J. C. Pecor.

Question Answered.
Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appetitizers, Nervous Prostrators or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by J. C. Pecor.
WE HAVE SHOES
Long since demonstrated, not only to our satisfaction, but also to the satisfaction of the public, that only the highest character of merchandise satisfies our patrons. We venture to say that no clothing house in the state averages as high as ours in the quality of goods carried by them.
What we particularly desire to dwell on in this advertisement is our
SHOES
It is only a short time since that we added a Men's and Boys' Shoe Department to our business. When we did we looked only for the highest grades of Shoes that are produced. The result is more than satisfactory. Our purchases and sales of Fine Shoes have increased wonderfully. We are now receiving our fall stock. Whilst it is too early to set them, we invite you to step in and see what we have for you when the time comes to wear them.
OUR STOCK OF SUMMER CLOTHING
Is greatly reduced. Many of you are perhaps still unprovided with Summer Clothing. We have made sweeping reductions on all light-weight goods. Take advantage of it and buy now.
THE HOME STORE.
HECHINGER & CO.

THE BEE HIVE
The Rough Rider Hats
Have met with a splendid reception. They are certainly well adapted for knock-about wear, with a style about them that gives the wearer a decidedly jaunty appearance. The various shapes, such as Cavalier, Lawton, Ladysmith, Marlborough and Dakota, all to be found in our stock, are absolutely the very latest and will be most popular for fall wear. They come in many colors. Prices 75c to \$1.50.
Shirtwaists at Less Than Cost.
We have determined not to carry over any Shirtwaists. Every inducement will be offered to sell 'em quickly. Prices have been still more reduced, and whether you need a waist for this or next season's wear it will pay you to buy now. \$1.50 waists are now 98c; the \$1 kind are 68c; those that were 75c are marked down to 50c, and so on through the list. They come both white and colored. All styles.
YOUR ATTENTION!
Is called to our Silk and Dress Goods Department. From now until the fall season is fairly opened there will be new arrivals in these departments almost every day. We have already on hand over fifty different fall shades of plain Taffeta Silk, sold elsewhere at \$1, priced here at 80c; more to come. Hosiery AND Underwear
These stocks are gathered with the most painstaking care. No other store we believe is half so particular about the character of its Underwear and Stockings. The variety, the finish, the fit and the quality in every grade are unmatched. We are building a reputation on these two lines that we guard as zealously as a good woman does an untarnished name. If mistakes occur—as sometimes will—give us a chance for correction. We will be satisfied with nothing less than your unbiased conviction, ours is the BEST hosiery and underwear store.
Here is news today of the very best values, for in spite of low prices the goods are of exceptionally high character:
Children's Hosiery.
12c A PAIR—A bargain for the little folks and a special one at that. Black, fast color of course, extra heavy knees, heels and toes, fine ribbed, elastic and durable.
Women's Hosiery.
25c A PAIR—Fine cotton stockings. All black or with white split feet. Fast black Lisle thread, plain or with pretty drop stitch patterns. For the same reason that windows are put in a house drop stitches are put in stockings—for ventilation.
