COUNCIL MAKES APPROPRIATION TO WELFARE LEAGUE

Sum of \$25 Per Month to Aid in Support of Visiting Nurse

MEETING OF LEAGUE HELD

Committee Reports Effort to Engage A Competent Nurse

The City Council at the regular meeting last night appropriated the sum of \$25 per month for the use of the Health and Welfare League to be used in defraying the expense of a visiting nurse to aid in the care of charity patients afflicted with disease.

The motion to make the allowance was made by Councilman W. O. Hinton, who presented the case of the Health and Welfare League and who stated at length the purpose of the League. The matter was discussed by the members of the Council and the motion carried by a unanimous vote after it was made plain that the purpose of the League was to take care of all the cases of tuberculosis and other diseases, and the organization was to act in the capacity of the associated charities.

At the meeting of the Fiscal Court an appropriation of \$450 per year was made to the League and this together with private subscription and the membership fees will bring the sum now in the hands of the League to more than \$1,000.

The weekly meeting of the League was held yesterday afternoon at the public library with a large number of the members present and it was decided to hold the next meeting in three weeks.

The committee appointed to investigate and make a report regarding the securing of a trained worker to act under the instruction of the League advised that it was in communication with several competent nurses but was not ready to report and this will be made at the next regular meeting.

Much enthusiasm was displayed by the members at the meeting yesterday afternoon and indication point to a very successful work in the undertaking to better the healthful condition of the city.

PROHIBITION BILL PASSES THE HOUSE

Webb State-Wide Measure Goes Over By Vote of 61 to 32

FRANKFORT, KY., March 12.—The Webb State wide prohibition bill passed the Lower House at noon today by a vote of 61 to 32.

Following the announcement of the vote by which the Webb State-wide temperance bill passed the House, precisely at noon, the House gallery, filled with prohibitionists, went mad with joy, and men tossed their hats to the ceiling, while women clapped their hands with glee.

While joy on the part of the "drys" was at its height, the discovery was made that the original bill, defective in many particulars, had been passed instead of the substitute. The vote by which the original bill was passed, before the error was discovered, was reconsidered and placed upon the table, clinching the House action on the measure.

25 Per Cent Law Passed.

FRANKFORT, Ky., March 12.—A vote of 72 to 22 the House Tuesday passed the Frost county unit bill, which gives the right to call an election on the liquor question in any county in the State when 25 per cent of the voters of the county sign the petition. The measure has already passed the Senate.

At Monday afternoon's session an effort had been made to bring the bill out without the consent of the Rules Committee, but this was beaten and the measure was chalked up by the committee Tuesday morning.

As soon as the measure was called up the fun started and the "wet" and "dry" forces lined up for the battle.

COURT HOLD THAT WHITLEY CITY IS THE COUNTY SEAT

Case From McCreary County Is Decided By Special Judge Stout

NO LAW FOR SUCH CONTEST

Pine Knot Contestants Are Knocked Out By Decision Tuesday

The session of Circuit Court which adjourned Wednesday will not be actively resumed until Monday, to which date the juries have been dismissed. The grand jury is still in session and investigating the matters that have been brought to their attention.

Judge Stout yesterday morning heard motions on several cases and will convene court this morning, hearing motions and cases that have been assigned.

No Commonwealth cases are on the docket for this week.

A decision of Judge Stout as Special Judge of the McCreary Circuit Court, Tuesday afternoon, finally disposed of the contested election case between Whitley City and Pine Knot, for the county seat of the new county of McCreary. After hearing the arguments by the attorneys representing each of the towns Judge Stout decided there was no law providing for the contest of an election for the county seat of a county.

At an election held recently in McCreary to decide which of the two towns should be the county seat, Whitley City won by a majority of 189 votes, and Pine Knot contested the election on the grounds that money and undue influence was used in procuring votes.

As the election won by Whitley City was decisive, and unless the decision of Judge Stout is reversed by the Court of Appeals, that town will remain the county seat of McCreary.

Judge James Denton and W. N. Filippin Representative from Pulaski County in the present Legislature, both of Somerset, and John W. Sampson, of Whitley City, represented Whitley City in the contest, while the interests of Pine Knot were represented by attorneys H. C. Gillis, of Williamsburg, and L. G. Campbell, of Pine Knot.

The following compose the petit juries:

Jury No. 1—D. S. Henry, R. P. Hopkins, Owen Kennedy, Ami Dorsey, Joseph Redmon, E. T. Rule, H. L. Clark, Wm. Farris, C. R. Wall, Walter Clark, H. E. Henry and Lindsey Stewart.

Jury No. 2—Joseph H. Ewalt, Lloyd Ashurst, S. S. Ardery, J. S. Wiggins, Peale Collier, J. S. Douglas, A. D. Luck, R. E. Bedford, Joseph Luck, Alvin Hicks, G. L. Wright and James T. Kiser.

The case of the Commonwealth against Forrest Lawrence was re-argued until the tenth day; Berkley Jacoby, charged with murder, continued; Herman Menfee, false swearing, acquitted; John Brand, carrying concealed weapons, fined \$25 and given ten days in jail; Max Munich, suffering a nuisance, fined \$50; Jas. Merlin, carrying concealed weapons, \$35 fine and ten days in jail; S. P. Woods, carrying concealed weapons, \$25 fine and ten days in jail; Sidney Bow, John Barton and Charley Ross, \$20 each for disturbing religious worship.

There was little business of importance before the City Council at the regular meeting last night. The Council made an appropriation of \$25 per month to the Health and Welfare League, the vote being unanimous.

Collected	76.82
Suspended	7.50
Pardoned	.00

The following building permits were granted:

Mrs. Nannie Chisholm, one-story residence, Pithian Avenue, \$1,000.

W. P. Shelton, one-story frame residence, Brent Avenue, \$1,000.

G. M. Mansfield, one-story frame residence, Brent Avenue, \$1,400.

Stanford Roberts, one-story frame residence on Cypress Street, \$3,000.

A petition from the residents in White Addition was presented to the Council asking that the water mains be extended to that part of the town. The petition was referred to the fire committee to ascertain the cost and to report at the next meeting.

TRIBUTE PAID TO WM. GOEBEL AT UNVEILING

Memory of Kentucky Governor Is Perpetuated in a Bronze Statue

CEREMONIES ARE WELL ATTENDED

Prominent Speakers Present at Exercises in Frankfort Wednesday

FRANKFORT, Ky., March 12.—Tributes to the late William Goebel, of Covington, Ky., slain Governor, were delivered by Governor Jas. B. McCreary, Congressman A. O. Stanley and former Governor J. C. W. Beckham. The occasion was the unveiling of the statue of Governor Goebel, Wednesday.

The work of art is a bronze statue made from the death mask taken by Sculptor Barnhorn, of Cincinnati. It cost \$20,000, appropriated by the Legislature of 1902.

Miss Margaret McChord, of Washington, D. C., and Louisville, daughter of former State Senator Charles C. McChord, now member of the Interstate Commerce Commission, unveiled the statue, pronounced to be an almost perfect likeness. Standing by the young woman when she lifted the white veil from this tribute of Kentucky to her distinguished son were Justus Goebel, brother of the late Governor, family of Justus Goebel, and members of every department of the State.

Governor McCreary, former Governor Beckham, who was Lieutenant-Governor under Mr. Goebel and succeeded him; Chief Justice Hobson, of the Court of Appeals, and the Judges of this Court; the members of the Legislature and hundreds of citizens of the State, in whose memory the name and deeds of Mr. Goebel will last as long as they live, were present. Mr. McChord, who could not be present, in a telegram to Justus Goebel said that only the most urgent business of national welfare kept him away.

From Alabama, G. V. Greene wired Mr. Goebel as follows:

"The unveiling of the statue of your lamented brother, my friend, statesman and patriot, brings inexpressible sadness to my heart. His image, his deeds of valor and sacrifice to principle are indelibly impressed upon my memory and will be fondly cherished until I follow him to the Great Beyond."

While all that words can say and oratory express from human lips and said of Mr. Goebel yet the thought that mind can invent were greatest tribute to his memory was the passage of the Finn railroad bill by the Legislature almost after the ceremonies. This bill contains a majority of the provisions advocated by Mr. Goebel when he fathered the McChord railroad commission bill, which became a law shortly after his assassination. The passage of the bill, legislators say, demonstrates that the spirit of Mr. Goebel lives, and that monuments erected to him are an inspiration to the living as well as a tribute to his memory.

The ceremonies at the statue were very brief. The procession was formed in the Capitol, and officers of the State and members of the Legislature marched in twos to the statue. A band preceded the procession, playing a funeral march. Senator G. G. Spear, of this city, was Grand Marshal of the procession. The Division Marshals were chosen from the members of the Program Committee, who are members of the Legislature.

Senator Walker Hall, of Covington, Chairman of the committee, was the Master of Ceremonies. Rev. T. E. Taliaferro, former Chaplain of the Kentucky Reformatory, made the opening prayer when the members assembled in the House chamber to hear the addresses. The chamber was packed and jammed.

Governor McCreary, former Governor Beckham and Lieutenant-Governor McDermott followed Senator Hall to the Speaker's rostrum. The family of Justus Goebel, accompanied by Miss McChord and Col. Eph Lillard, Secretary of the Program Committee, did not enter the chamber until immediately before the speaking began.

Governor McCreary spoke first. Congressman Stanley did not come in to the chamber until Governor McCreary had concluded his address. Much of the speech of Governor McCreary was devoted to Governor Goebel's legislative works. He reviewed his efforts to free the oppressed from the burdens of special privilege. The Goebel bill, abolishing tolls on his turnpikes in Kenton county; the measure reducing the toll on from bridge spanning the Ohio river from Covington to Cincinnati; the Covington Free Library bill and many others were considered by Governor McCreary.
