RED CROSS APPEALS FOR TRENCH FOOT SLIPPERS

To the Women of Bourbon County:
In our quota for September 1, in Red Cross work, is a request for 500 trench foot slippers (250 pairs). These slippers should be made of velvet, velveteen, corduroy or heavy cloth. They are then lined with outing flannel.

It is impossible for us to buy the necessary material and we are asking the patriotic women of the county to send us any garments or pieces they have no use for, to be used in this way. An old pair of cloth trousers, or a coat, can be cut into several parts, as the slippers can be pieced.

We published an appeal some days ago, but the response was so small we have less than 50 slippers made.

Are we to fall in this, as we have done in nothing else? We have been proud of our record up to this time. May it always remain untarnished.

If any friend desires to buy a remnant or piece of new material to send in, it requires two-thirds of a yard of 27 inch goods to make one pair.

Send all material to the Red Cross rooms, at the Court House, in Paris. If it is more convenient for ladies out in the country, materials may be sent to Mrs. Annabelle Wallace, or Mrs. D. C. Lisle, at Leesburg; Miss Florence Hopkins, at Little Rock; Mrs. Letcher Weathers, at Clintonville, and Mrs. Jno. Collins, at North Middletown.
