Capt. R. E. S. Williamson, and his detail of seven sergeants, in the cavalry branch of the U. S. Army, have opened a recruiting office in the grand jury room in the court house. Their hours will be from 10:00 to 12:00 a. m., 4:00 to 6:00 p. m. and 7:00 to 10:00 p. m., when they will confer with anyone between the ages of eighteen and forty, who may desire to enlist in the service.

Capt. Williamson says: "Tell the young men of Paris now is the time to enlist in the 'Honorable First' and to call at our office between the hours mentioned. We will be glad to explain what the United States army is offering. Come and see us whether you care to enlist or not. We want to talk to you."

SPECIAL SERMON TO MEMBERS OF LEGION.

All the ex-service men of Bourbon county are cordially invited and expected to attend the services at the Presbyterian church in this city Sunday evening. The pastor, Rev. T. S. Smylie, will preach a special sermon to the ex-service men, in the interest of and under the auspices of Bourbon Post No. 30, of the American Legion.

During the world-war, Rev. Smylie rendered distinguished service in the capacity of army chaplain, and, in the performance of his duties as such, had a varied experience of interesting character. His message will be one of decided interest to every sailor, soldier or marine who served his country during the fearful struggle. Every one who can come should attend this service, which can not fail to be both instructive and entertaining. The public is cordially invited to attend this service.

In the intensive membership campaign being conducted by the Lexington Post of American Legion, three former ex-Bourbon county boys who were in the service, joined the Post. They were Jackie Saloshin, Edward Caywood and Jesse B. Lovely.

CYNTHIANA HIGH LOSES TO PARIS HIGH QUINTET.

The basket ball team of the Cynthia High School met defeat by the Paris team at the Y. M. C. A. gymnasium in this city, Tuesday night. The game was a one-sided affair, the final score standing 42 to 12. The game was a slow one throughout, the Cynthia team being unable to make it interesting for the Paris players. The game was refereed by Adams, of the Georgetown College team.

At the conclusion of the Paris-Maysville games on the Maysville floor last Friday night the members of the Paris teams were presented with fifteen boxes of fine candies by the Elite Confectionery, of Maysville. The gift was highly appreciated by both the boys' and girls' teams. They had hardly time to give expression to words of thanks and appreciation than they were busily engaged in sampling the donations, which were unanimously voted excellent. A rousing cheer and vote of thanks was extended to the donors of the sweets.

The Cynthia girls' team failing to appear for the scheduled game Tuesday night, a game was hastily arranged between the Paris High School girls' team and a team composed of young women members of the High School Alumnae Association. The game was a tie until a lucky play landed the P. H. S. team winner over the Alumnae by a score of 21 to 19.

The Paris High School team and the strong team from the Frankfort High School will play on the local floor to-night. The Frankfort team has been going strong, while the Paris team hasn't been slow at the game. Both being tuned up to a high key, the game is confidently expected to be one of the best of the season on the local floor. Play will be called at 7:30 sharp, at the Y. M. C. A. to-night.

IF

You closed the hospital what would you do in times of epidemic—where could you take the sick? It is unthinkable that you would allow it to close. Give liberally. The sum they ask is small enough. If everyone chipped in they would soon have the amount. How could you invest in anything and do so much good?

FISH TO-DAY.
