—Mr. and Mrs. J. C. Leer and J. D. Caldwell and family visited relatives in Mayslick, Sunday, and attended the funeral and burial of Mr. D. Arthur, a prominent farmer of that vicinity.

—Fire was discovered in the roof of the kitchen of the home of Mr. J. V. Ingels, Monday afternoon, which was speedily extinguished, with some little damage to the kitchen roof. The fire was caused by a defective flue.

—The Missionary Society of the Christian church held an all-day meeting Wednesday at the home of Mrs. M. C. Grimes. A delightful program was rendered and other business transacted, and an elaborate lunch was served at noon.

—The community protracted meeting at the Methodist church, is increasing in interest, and the audience grows larger at every service. In addition to the afternoon and evening services, services are also conducted, beginning last Monday at one of the business houses, each afternoon at 2:00 o'clock, lasting half an hour. This is for the benefit of the business men who cannot attend the afternoon services. The meeting will continue over Sunday. There has already been some additions to the various churches. SHRINERS PLAN BIG CEREMONIAL IN MAY.

Plans for a whirlwind finish for the Grand Conclave of Knights Templars, which is to be held in Lexington, May 18 to 20, inclusive, by Oleika Temple Mystic Shrine, have been announced.

The Shriners will entertain the visiting Knights Templars with a reception and dance at the Phoenix Hotel on the night of Thursday, May 20. At this time the members of Oleika Temple will act as a reception committee wearing their new uniforms for the first time.

The following Friday afternoon and night the local Shriners will stage a ceremonial in one of the local warehouses with a class of between 200 and 300 candidates. It is expected that visitors from many Shrine temples in the United States will be present, as at a recent ceremonial 22 temples were represented.

The Grand Conclave closes Thursday with a grand review followed by a competitive drill in the afternoon and a reception by the local Shrine at night. It is probable the grand review and competitive drill will be held at Stoll Field. Dr. A. A. Ranshaw's 27 piece band from Covington will be the official musical organization. A beautiful silver trophy will be offered as the prize for the best drilled commandery.

During the conclave band concerts will be given each night in front of the court house. Circuit Judge Charles Kerr has consented to adjourn court during the conclave and Grand Commandery meetings will be maintained in the first floor with registration office in the office of Magistrate Charles M. Parrish.

A staff of aides, to be dressed in white uniforms, is being arranged, one member to be assigned to each of the visiting commanderies.

ANOTHER MYSTERY SOLVED

Sometime ago a valuable cow belonging to Deputy Sheriff Robert M. Gilkey, disappeared in a mysterious manner from his farm near North Middletown. A vigorous search made along the highways and byways in the surrounding country failed to locate the missing animal. Mr. Gilkey conducted a personal search party in all the neighborhood but could not locate the animal. Days passed and as he was about to give up all hopes of ever recovering the cow, the unexpected happened.

Hearing an unusual noise near one of the side windows at his home early in the morning very recently he got up and made an investigation. Securely tied to a window catch by a short rope was the missing cow, and by her side stood a little calf, only a few days old. Later in the day came the explanation. A neighbor informed Mr. Gilkey that he had discovered the cow on his place and had brought her to the house and tied her there. "There had been so many mysterious returns of property that had been tied to doorknobs that I thought I would surprise you, Bob," the neighbor said. This was another perplexing mystery solved without the aid of detectives.

COMMITTEES APPOINTED.

At a recent meeting of the Bourbon county branch of the American Farm Bureau Federation the following committees were appointed: Constitution and By-Laws—James Caldwell, Walter Kenney, Robert Jones, Dave Parrish, Houston Crouch; Permanent Headquarters—Henry S. Caywood, Harry B. Clay, Wm. Collins, Frank Collins, John M. Clay.

The annual membership fee was placed at \$15. Two dollars of this goes to the National organization, the remainder going into the treasury of the local organization for general purposes.

RELIGIOUS.

—The Rev. S. B. Lander, pastor of the Presbyterian Church, of Carlisle, announced that the Presbytery Ebenezer, which includes Paris, would meet in Carlisle at the Presbyterian Church, Tuesday, April 13. The meeting will continue to April 15.

—"When the minister learns to use newspaper style he will have learned to preach so that people can understand him. The minister should read the daily newspapers," declared Dr. Christian F. Reischer, of New York, speaking before 200 students of the Boston University School of Theology, recently.

—Dennis V. Snapp, of Paris, State President of the Kentucky Conference Epworth League, Methodist Episcopal Church, South, makes formal announcement that the eleventh annual assembly of the State League Conference will be held at the First Methodist church, in Lexington, June 29 to July 2.

—Thomas H. Talbot, of Lexington, superintendent of home missions in the Kentucky Synod of the Southern Presbyterian church, will be one of the principal speakers at a conference of Presbyterians in Cynthiana, April 15. The Cynthiana conference is one of a series being held in Kentucky prior to the opening of the Presbyterian Progressive Campaign, the goal of which is \$222,699.

The first twenty days of April will be devoted by the Interchurch World Movement to active preparation for the great financial campaign of the movement to be conducted April 21 to May 2, inclusive. Local teams and committees will be organized and thoroughly drilled in the duties to be expected of them in this canvass for funds to carry out the constructive program of the churches.

—At a meeting of the Promotional Committee of the Kentucky Division of the World Movement of the Disciples of Christ, held last week, it was decided that the Kentucky drive be held May 9, to 16. The campaign is under the direction of Rev. Homer W. Carpenter, minister of the Richmond Christian Church, and Rev. Joseph W. Hagin, minister of the Madison Avenue Christian church, Covington. It was arranged to hold county conferences in various sections of the State April 12 to 17.

A committee consisting of President R. H. Crossfield and the Rev. J. H. MacNeill, of Winchester; Mrs. Louise Loos Campbell, and Lin D. Cartwright, of Louisville, was appointed to apportion the amount for which Kentucky Disciples are asked to the various churches.

Sunday; Womans' Society, 2:30 p. m. Tuesday; Treble Clef Club, 3:30 p. m. Wednesday; Prayer Meeting, 7:30 p. m. Wednesday.

—PRESBYTERIAN CHURCH.—The Model Church Campaign for one hundred per cent attendance on the church services during the five weeks, April 4 to May 2, started splendidly. At both services last Sunday splendid audiences attended. At the prayer meeting Wednesday night more chairs had to be brought in. Every member of the congregation is urged to be present at all of these services possible.

Rev. W. W. Morton, of Millersburg, will preach at the Paris church Sunday morning in the absence of the pastor, who will preach at Elizaville in the interest of the Presbyterian Progressive Program. Mr. Morton presided at the installation services in the Paris church some weeks ago, and the congregation will enjoy having him with them again very much. Rev. T. S. Smylie will return in time to preach at the night service, the subject being "America, a Nation in Disgrace." Attention is called to the service from 7:15 to 7:30. Morning service at 11 a. m., Sunday School at 9:30 a. m., and Christian Endeavor at 6:30 p. m.

RADICALS JOIN LEGION TO LEARN ITS SECRETS

Warning that radicals are trying to obtain membership in the American Legion was given in a statement issued by Arthur Woods, chairman of the National Americanism Commission, from National headquarters in Indianapolis.

Mr. Woods said he had learned that the "reds" are seeking enrollment in the Legion in an effort to learn what action the former service men's organizations is taking against them and their policies.

"No real harm, however, can be done to the Legion or its work of promoting Americanism by the presence in its membership of such persons," declared Mr. Woods. "We are working to promote public welfare and good citizenship and the more they find out about this work the better. It will do them good."

"They will find it very difficult, yes, impossible, to convert to a belief in anarchy men of the stuff that characterizes our membership, and they will run grave risk of being converted themselves to a belief in law and order as a prerequisite to social and economic justice and happiness."

One reason why we don't try to form many opinions is because nobody seems to want them after we arrive at them.

Our position simply is that a grass widow has the right to trade her wedding ring for a wrist watch.
