

TROUBLES OF NEWSPAPERS

Would Have Changed History.
One would have said that the most momentous event of 1783 was the fall of the Bastille. Yet, on a summer day of the same year a young artillery officer, bathing in the Saone river, was seized with cramps and nearly drowned. If he had Crowned, Napoleon Bonaparte never have added a single line to the history of Europe.

OPEN LETTER OF INTEREST TO PARIS PEOPLE.

Louisville, Ky., April 8, 1920.
Mayor E. B. January,
Paris, Ky.
"My Dear Sir:—I have been traveling considerable over the country, especially Central and Southern Indiana, and I have been very much impressed by two facts—one, the splendid factory interests at the small towns in Indiana; and second, the entire lack of factories in our Kentucky towns. This condition is deplorable, for it leaves the towns in Kentucky with no income excepting that which is derived from the farming sections, immediately around the towns, handling farm products and selling machinery and supplies to the farmers.
"In former times our State was not in this condition, from the very fact that we had 327 distilleries in the State, that did a large international business, and brought millions of dollars into our various towns. This business is gone forever, and it is up to the business men of each of the towns to work for the establishment of different kinds of factories, that would bring in additional workmen and the location of other families, which go a long way toward building up and keeping alive your excellent city.
"We have a plan for bringing to the attention of small factories, looking for location, which would lead up eventually to getting a few good factories in Paris. Your farmers, your merchants and your banks have plenty of money at this time to help finance such factories.
"I am handing a copy of this letter to the editor of THE BOURBON NEWS, as an open letter, and will ask him to publish it, to help get a movement of this kind started.
"Awaiting your reply, I beg to remain,
"Very truly yours,
"G. D. WASHBURNE,
"Vice President Stark-Lowman Co."

LIFT OFF CORNS!

Doesn't hurt a bit! Sore corns lift right off with fingers.

Magic!

Costs few cents! Drop a little Freezone on that touchy corn, instantly it stops hurting, then you lift it right out with the fingers.
Why wait? Your druggist sells a tiny bottle of Freezone for a few cents, sufficient to rid your feet of every hard corn, soft corn, or corn between the toes, and calluses, without soreness or irritation. Freezone is the much talked of discovery of the Cincinnati genius. (adv)

SENATE EXPECTED TO RAISE POSTAL EMPLOYEES PAY

Employees in Kentucky of the postal service, who are anxious about the fate of the bill increasing their pay, will be pleased to know that the Senate Committee expects to report the measure in time for passage at this session of Congress. General opinion is that it will be passed. If not acted on by the end of the fiscal year, June 30, it is the intention to make the bill retroactive to that date.

A BIT OF ADVICE

First — Don't Delay. Second — Don't Experiment.

If you suffer from backache; headaches or dizzy spells; if you rest poorly and are languid in the morning; the kidney secretions are irregular and unnatural in appearance, do not delay. In such cases the kidneys often need help.

Doan's Kidney Pills are especially prepared for kidney trouble. Ask your neighbor. They are recommended by thousands. Can Paris residents desire more convincing proof of their effectiveness than the statement of a Paris citizen who has used them and willingly testifies to their worth?

Wm. W. Dudley, 1729 Cypress Street, Paris, says: "Some years ago I found it necessary to use a kidney remedy and as I had read about Doan's Kidney Pills, I used them. They proved to be satisfactory and permanently rid me of the complaint. I have good reason to recommend Doan's Kidney Pills and advise their use to anyone troubled with a weak and lame back or irregular passage of the kidney secretions."
Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Dudley had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (adv)
