Wittich against Wittich. Rev. Ph. Wittich, of Ripley, filed suit some time ago against his wife for divorce on the ground of desertion. The wife has filed her answer in which she alleges that Wittich has at various times slapped her, struck her with his fists and choked her almost to death, and, further, that he threatened to throw her into the river, called her the vilest of names, and declared that she was not fit to be in the parlor, but that her proper place was in the kitchen. She also alleges that Wittich caused to be published in the Brown County Democrat a false and slanderous article for the purpose of injuring her character. She asks the restoration of her maiden name and custody of their only child.

Burglars at Work. Two unsuccessful attempts to burglarize the residence of Dr. T. H. N. Smith, on East Third street, were made between 9 and 11 o'clock last night. The family were aroused about 9:30 o'clock by the thief or thieves trying to force the doors open. Seeing they were discovered they disappeared, but returned at 11 o'clock. On being discovered the second time the fellows escaped to the yard at the rear of the building, where one of them was found behind an out-house by the doctor and two of his neighbors. He at once jumped a fence near by and beat a hasty retreat, several shots from the doctor's pistol hastening his flight.

The News says the town, since the grading of the railroad, hasn't "a single street running east and west. Therefore we cause to be published throughout the land the fact that Dr. Pierce's "Golden Medical Discovery" is the best known remedy for consumption (scrofula of the lungs) and kidney diseases. Send 10 cents in stamps for Dr. Pierce's complete treatise on consumption, with unsurpassed means of self-treatment. Address, World's Dispensary Medical Association, 663 Main Street, Buffalo, N. Y.
