

STEVENSON APPOINTED CLARK COUNTY JUDGE

John M. Stevenson was notified last week by Governor James B. McCreary that he had been appointed by the Governor County Judge of Clark to succeed the late Judge J. H. Evans. The Governor talked in person with Mr. Stevenson over the telephone, and stated that the commission had been issued.

Mr. Stevenson is a native of Franklin county, and was educated at Georgetown College. He studied law at the Cincinnati University and the University of Michigan, being admitted to the practice of law in Georgetown in 1894. He practiced there until 1902, when he came to Winchester, which was the girlhood home of his wife, formerly Miss Linna Witherspoon, a daughter of Colonel N. H. Witherspoon. Mr. Stevenson is one of the most prominent attorneys and one of the ablest speakers in Kentucky.

NEW FIRM

Winchester is to have another big real estate and building concern, articles of incorporation having been filed Thursday. It will be known as the McCormick Realty Company, and two Mt. Sterling and one Traverse, Fla., gentlemen are the chief incorporators. Their names are J. L. McCormick, Mt. Sterling, 25 shares; O. W. McCormick, Mt. Sterling, 30 shares; Joe McCormick, Traverse, Florida, 50 shares. The capital stock is placed at \$20,000, consisting of 200 shares at \$100, a greater part of which is all paid in. The company's headquarters will be located in Winchester, and it will do a general real estate business besides contract for buildings of every description. It is not given out, but on good authority it is said that local capital is interested in the concern also. Anyway this promises to be a successful business venture for the stockholders, as those who have organized the company are familiar with the business and will make a success if it is possible to do so.—Winchester Democrat.

SOLD NICE MARE

Mr. Walter Bridges sold last week to Mr. George Priest, of New York, a nice walk-trot mare by Highland Gay for \$400. She is said to be a fine prospect for the show rings.

MRS. WILSON DIES

Mrs. Woodrow Wilson, wife of the President of the United States, died at the White House at 5 o'clock Thursday afternoon. Death came after a brave struggle for months against Bright's disease with complications.

The President was completely unnerved by the shock and his grief was heart rending. He bore up well, however, under the strain, and devoted himself to his daughters. The end came while Mrs. Wilson was unconscious. Her illness took a turn for the worse shortly after 1 o'clock and from then on she grew gradually weaker.

Without any formality, except that of the church and with all the simplicity which she desired, the funeral of Mrs. Wilson was held in the East room of the White House at 2 o'clock Monday afternoon. For the day official business was banished from the Executive Mansion and Washington and the nation mourned for the dead.

Immediately after the services the body was taken to Rome, Ga., the burial place of Mrs. Wilson's parents. During the trip through the South the people paid respect by tolling church bells as the special passed. Christ church, in Alexandria, Va., which George Washington attended, joined in this tribute.

Outside of members of the family only members of the cabinet and their wives, the members of special committees from the Senate and House, a few intimate friends and the employes of the White House were present at the services.

INVALID DIES

Mrs. Louisa M. Greenwade, aged 77 years, wife of Samuel Greenwade, one of the most prominent farmers in Montgomery county, died at her home near Spencer, Friday, August 7. She had been an invalid for twenty years but only in the past month had her condition become critical. She was one of the best known and most beloved women of the county. Besides her aged husband she is survived by three sisters, Mrs. Polly Hastie and Mrs. Lizzie McCormick, and one brother, Mr. M. H. Lewis, all of this county. Mr. Greenwade was a native of Bath county.

NICE COMPLIMENT

The Kendallville, Ind., Daily News, in speaking of the resignation of Rev. Mr. V. P. Yeaman, D. D., of the Presbyterian church of that city to accept a call to Mt. Sterling says editorially:

The resignation of Dr. M. V. P. Yeaman, from the pastorate of the local Presbyterian church is a loss that will be felt far beyond the boundaries of his own congregation. Though a resident of the city but a short time, as time comes to be measured by those who dwell many years in a place, he had made a distinct place for himself among Kendallville people. Earnest in purpose and direct in method and yet gentle in speech and action, he is especially fitted to be a religious leader in a community of home loving people. Our loss will be Mt. Sterling's gain.

SUES PARTNER

Chas. B. Nelson, half-owner of the Winchester Democrat, filed suit Saturday afternoon against his partner, Steven K. Vaught, and Rev. J. O. A. Vaught, of Ft. Thomas, asking for a dissolution of the existing partnership, a sale of the plant, and a strict accounting of the books.

The petition states that an offer was made by Mr. Nelson to give or take a certain sum for a half interest in the plant, and Mr. Vaught did not produce the money to buy, and refused to sell his interest at the price mentioned.

Pendleton & Bush are the attorneys for Mr. Nelson.

TWO ELECTIONS FOR FAYETTE COUNTY

In the Fayette County Court Monday County Judge Bullock rendered a decision which allows two distinct elections on liquor questions on September 28. He overruled the petition of "drys" that a vote be taken with entire county as unit, holding that statutes covering this point had been so interpreted that cities of second class in counties containing cities of second class could hold separate election.

Both sides seem equally pleased with the decision, the "drys" claiming it gives them added strength, while the "wets" scent victory. Two ballots will be given each voter in the city, and he may vote on city and county alike, but a county voter may not vote on city question. It is forecast that if the "wets" win, the "drys" will appeal from the decision of Judge Bullock.

RETURNS WITH FUGITIVE

Sheriff H. F. Howell has returned from New Richmond, O., where he went for one Andrew Blair, a seventeen-year-old white boy, charged with stealing \$231 from his uncle, Mr. Ed. Craycraft, a hard working tenant on the Hurt farm near Sideview. Blair had been living with Mr. Craycraft and learned of the money which Mr. Craycraft and his wife had concealed in their dwelling house. When arrested Blair had a new suit of clothes, a new bicycle, and \$140 in currency and a small amount of silver. He refused to return without requisition papers, thus forcing Mr. Howell to go to Columbus, O., after them. He will doubtless be sent to the House of Reform near Lexington.
