

## Whiskaway Wins Latonia Special

Whiskaway, Harry Payne Whitney's great colt, which a week ago gave Morvich the only defeat of his racing career, repeated that triumph Saturday when he swept past the wire, winner of the \$50,000 Special Latonia race for three-year-olds before a record-breaking crowd of 50,000 persons.

The chestnut son of Whiskbroom II. defeated the best field the nation could send against him in what probably was the greatest race for three-year-olds staged in a decade.

Will Perkin's Thibodaux, a rank outsider in the betting, and a Kentucky-bred horse, finished second in a driving finish with Whiskaway, crossing the wire a half length behind the winner. Morvich was third, ten lengths behind Whiskaway. Pilory, winner of the \$50,000 Proakness stakes, was fourth and Deadlock was fifth. The mile and a quarter was run in 2:05 2-5, which is within one-fifth of a second of the track record.

There was no question of the relative racing ability of Whiskaway over Morvich. Morvich was decisively beaten, struggling with a tired, weary stride at the finish. The winner paid \$11.10 for a \$2 ticket, Morvich being the favorite in the betting.

### STRAYED

From the Pieratt cattle pens last Monday one natural muly red steer, weight about 500 pounds, and branded with the letter "F" in blue paint. Will give reward of \$10 for his delivery to me.—Sanford Garrett, Levee, Ky. (73-1f)

### CARRIER PIGEON VISITS HOME

Tuesday a pigeon with a silver band around one leg bearing a number and the letter "I. F." was discovered at the home of Charles Clark in Frenchburg. Mr. Clark fed the bird and left it. Later, Mr. Clark seeing the bird remaining on his premises, again fed it and took it in. The bird was evidently bearing a message by letter and number. It was not an ordinary pigeon and was of a breed unknown to Mr. Clark.

LOST—Will pay a reward to the person who finds and returns a pair of tortoise shell spectacles to T. K. Barnes & Sons' store, South Maysville street.

## Defeat Lexington; Lose To Paris

In the game with Lexington on the local lot last Thursday the Essex proved their superiority over the Studebakers, outplaying them in every department of the game. Monhollen essayed to pitch for Lexington, but his offerings proved to the liking of our boys, and he was taken out after the sixth inning and Parks substituted. Eggleston, a new twirler, started the game for Mt. Sterling and was taken out in the seventh inning when it was seen that he was weakening, and Townsend finished the game. The game, while not an especially well played one, was interesting from start to finish and afforded much excitement. Muth, Lexington's centerfielder, became somewhat "wrathy" when Umpire S. D. Gay called a strike on him and went into the center of the diamond to protest the decision. He was promptly ejected from the game and a fine of \$10 was assessed against him. We believe a few more fines would put a stop to all the wrangling the spectators have been forced to put up with in this league, and the action of Umpire Gay is to be heartily commended. The box score follows:

### A Joke at Paris

The showing made at Paris Sunday afternoon was nothing less than a joke. When the boys were not making errors they were pulling bonehead plays. The exhibition was undoubtedly the worst we have had this season and with the exception of the hitting of Ellis and the playing of Pergrem the game was absolutely featureless so far as the local aggregation was concerned. In the very first inning Paris secured three runs on one hit, coupled with countless errors. While it will be seen from the official box score below Mt. Sterling is only credited with three

The Rev. F. E. Hill and wife resigned the pastorate of the Nazarene church last Sunday morning and will return to California soon. They wish to express their appreciation of the many kindnesses shown them by their friends and the good citizens of Mt. Sterling. The cause of their sudden departure is owing to Mrs. Hill's health. They will go to Dawson Springs, this state, for a few weeks' visit to relatives and then conduct a series of meetings in Illinois before they proceed on their journey home to Los Angeles. Rev. C. R. Pollard, district superintendent, will take charge of the meetings in the tent and will be assisted by Rev. George Fleming, evangelist. ### AMERICAN LEGION TO START CAMPAIGN

Saturday, July 1, is national membership day. The legion hopes to increase its membership by one-third during the month of July. The service census campaign will also begin July 1. During this campaign every ex-service man in the state will be interviewed by legionnaires. The object of this campaign is to get the service facts concerning each man, who will be required to fill out a service census form. If he is entitled to compensation the legion will get it for him. If he is entitled to hospitalization the legion will get it for him. Every ex-service man, whether or not he is a legion member, should fill out a service form, so should at any time in the future he need legion aid he will have on their files the facts regarding his case. A registration booth will be opened at Gatewood & Hombs' store Saturday morning, July 1, and will stay open until July 11. It is hoped that every man in the county will register on the first day.

### A MUSICAL PRODIGY

Sunday morning at the service hour, Gene Gullfoile, Covington, son of William Gullfoile and wife, formerly of this city, and nephew of Neal Gullfoile, a lad of fourteen years, the possessor of a remarkable voice for one of so few years, who is under training of the masters of New York City, sang "Ave Marie" with Miss Louise Orear at the great pipe organ at the Baptist church, to the delight of an appreciative audience. Young Gullfoile is a wonder in music to the very finger tips. He also gave some beautiful renditions at the Catholic church and at other churches. Keep your eyes on the lad and see him attain to heights along the lines of his gift.

## All Fees Above \$5,000 To Go Back To County

All fees in excess of \$5,000 and the salary of necessary deputies and assistants, collected by sheriffs of Kentucky, must be turned into county treasuries and go to the payment of the cost of county government, the court of appeals decided Friday. The question was discussed in a voluminous opinion written by Judge Moorman and concurred in by the whole court, reversing the action of the Fayette circuit court, which held that Paul Shipp could not bring suit against J. Waller Rodes and T. C. Bradley, former sheriffs of Fayette county.

The opinion affects many counties throughout the state in which sheriffs have been receiving more than \$5,000 a year in salary from fees. Officials say it will save the state and counties many thousands of dollars annually. The case was the outgrowth of agitation for saving money to the state and counties and is backed by farmers' organizations throughout the state.

The court of appeals in its opinion held that all excess fees must go into the county treasury. It expressly stated that it was not deciding, in this case, whether or not the state could recover from the county its pro rata of fees paid the sheriffs in excess of \$5,000 and expenses.

The county fiscal courts are charged by the court with the enforcement of the constitutional provisions, in its opinion. It says that the sheriffs are required to make returns to the fiscal courts and that through these an exact accounting for his office can be obtained. Through the law requiring that the fiscal courts approve the appointment of deputies, the salaries the number of deputies can be regulated, the court said.

The court confined its remarks to the Bradley case, saying that it also was decisive of the Rodes case. The suit by Shipp was to recover excess fees for 1914 to 1917 from Bradley and for 1918, 1919 and 1920 from Rodes. The opinion Friday decides that Shipp has the right to sue in this case and says that recovery can be had.

It was claimed in the Bradley case that in 1914 he received from the state \$12,090.74; county, \$13,515.04, and more than \$6,000 from private litigants.

The above ruling, it is said, will affect the sheriff's office in Montgomery county, not only in regard to the present incumbent, but also his predecessor, and it is likely he will be forced to pay back into the county treasury several thousand dollars.

By the court's decision many counties in the state will be affected and, it is said, thousands of dollars will be saved the commonwealth annually.

## Local Fair Grounds Ready For Big Meet

The fair grounds are in perfect trim, just as bright and cheery as a bright, new pin. Music? We should say. The Maysville Boys' Band, one without a superior anywhere, has been engaged. The pieces played last year and during all preceding years are rendered more familiar at this time, and in their rendition this band is perfect. New pieces have been composed since then by master artists and the Maysville boys know them all and will pompously give them to the large crowds assembled on July 19, 20, 21 and 22. The contract for the carnival has been closed. This is the first time this carnival, with 30 shows, has ever signed up with any fair in so small a town as Mt. Sterling. Every performance known will be presented and it is safe to say this is to be a real fair.

Three running races daily and three trotting or pacing races daily will be held and purses and premiums will be liberal.

The floral hall is to be a thing of beauty. The competition, whether it be running races, trotting, pacing or premiums on the horses and cows or any other exhibit, will be sharp. Get ready, come early every day and have a week of pleasure and profit as well.
