A big revival is being held at the colored Methodist church, and many are joining. The ministers subject Sunday night was "attend to your own business."

Eld. D. T. Broadus, of Belle Plaine, Kansas, will preach at new Antioch church Saturday night at 7-15 o'clock Sunday morning at 11 o'clock and Sunday night at 7-15 o'clock.

Improvement. The 11 fashioned, square window, are being taken out of the Baptist church and handsome, arched ones substituted. These, together with the pretty stained glass, will make a decided improvement.

We are glad to note that Lancaster girls do not take to the foolish style of wearing their hats jammed down over their eyes. This style is quite handy for ugly girls, but the sweet-faced Lancaster girl does not need it.

To Visit the Schools. Miss Elisa Lusk, county superintendent, will during the month of September, visit the schools in the county.

As this will take up so much time she will only be at her office on Saturdays and court day during the month.

Communion Service. Dr. J. P. McMillan, of Richmond, will conduct communion service at the Presbyterian church Sunday morning. He will also preach at the union meeting, in the same church, at 7:16 p. m. Rev. Henry Faulconer will fill Dr. McMillan's appointment in Richmond.

Will Get Together. As the hot season is about passed, the Knights of Pythias lodge will soon pull together and resume its weekly meetings. No lodge can keep up its attendance during the summer months and it's out of the question to try.

Fraternal Order of America. Messrs O. P. Wallingford and L. D. Bunt are in town this week organizing a lodge of the Fraternal Order of America. The life insurance branch of the order is a good plan and quite cheap. The order has strong financial backing and is growing rapidly.

Lincoln County Tomatoes. The Interior Journal jumps us for saying the Kings Mountain Cannery Co. is putting so many tomatoes in so many cans per day. Our statement is not exaggerated. The tomatoes were raised in Lincoln county, and its no trouble whatever to put many dozen in one small can.

Buena Vista. The Teachers Association will convene September 24, at the Brick church. All are cordially invited to come and bring their baskets. The program is interesting, consisting of music, recitations and papers. D. D. Ely, of Danville has promised to be present and give a talk. Amanda Anderson, Vice President.

Co. L. Furloughed. The Lancaster company was furloughed at Lexington Monday. The men were paid off and given thirty days leave. They are compelled to return at the expiration of that time. The boys made hot haste to get to their homes. They look well and are proud of the many compliments paid them by superior officers.

Got a Treasure. Jim Dillon returned from the G. A. R. encampment Saturday. He succeeded in getting two pieces of his old regiment's colors. This flag was shot to pieces during the war and a number of men killed while carrying it. The regiment had every line officer killed in action and returned to Cincinnati with only one fourth the men it left with.

Mule Cots. The ads. for mule cots brought a big lot of the long-eared animals to town Saturday. There were a few sales, but owing to the low prices the better ones went back home. Willis bought forty-five head at prices ranging from \$15 to \$27. Lewis bought about fifteen head at same price. These were all sucklings. Willis bought five older mules but would not state the price.

Annual Convention. Christian church, Chattanooga, Tenn. October 13-21 1898. One fare the round trip via the famous Queen & Crescent Route. Tickets on sale from all points, October 10th to 13th, good until Oct. 24th to return. See that your tickets read by the Queen & Crescent Line. Handsome vestibuled trains. Short Line. Free reclining Chair Cars on night trains. Ask your ticket agents for particulars.

Vandalism. Tuesday night some one went into the beautiful yard at Dr. Grant's, pulled up a lot of flowers, overturned several stans and deliberately broke to pieces many handsome plants, bushes and shrubs. This yard was one of the prettiest in town, being almost a solid flower garden. It is hard to conceive the motive one would have in doing such an act. The devil kept busy busy all the time burning such people, but we venture to say he left his bellows long enough to lay away a lot of brimstone to use on the vandal who committed Tuesday night's outrage.

Ladies Aid Society. The Ladies Aid Society will meet with Mrs. Elizabeth Simpson Saturday afternoon. A full attendance is desired, as officers for the ensuing year will be elected at this time.

The Graded School. The Graded School opened with 185 pupils instead of 157, as stated. The number has since passed the 200 mark. The school is about in running order now and everything points to a successful term.

Rev. Campbell Returns. Rev. T. H. Campbell has returned from a protracted visit to his mother, in West Virginia. His legion of friends and admirers are delighted that he is back again. He will fill the pulpit at the Baptist church Sunday.

Pension Granted. Mrs. Pauline Rigney, widow of Major F. D. Rigney, has been granted a pension. There was never a more just claim allowed, and its passage will be a great gratification to the host of friends of the gallant soldier and typical gentleman.

Critically Ill. Lieut. Claude Wherritt took a turn for the worse several days ago and for the last forty-eight hours has been in an extremely critical condition. He suffered several hemorrhages and it was with the greatest difficulty the flow of blood was checked. He is resting much easier at this writing and the physicians have hope for his recovery.

Mr. Joseph's Father Dead. Mr. J. Joseph received a telegram Wednesday announcing the death of his father, Abraham Joseph, in New York City. The deceased had been ill for some time, though was better for the last few weeks. The remains will be brought to Cincinnati for interment.

Two sons, Jake and Sam, are well-known in Garrard county, where they have many warm friends who sympathize with them in their great bereavement.

Having rented Dadler's Mill on Dix River, near Gilbert's Creek post office, will run an Exchange House in Lancaster, Ky., for the benefit of the farmers. Will keep on hand choice flour, meal, bran, shipstuf, etc. Call on R. A. Stone, the bustling merchant, on Depot St. for particulars. Hoping to gain your patronage, I remain, JOHN H. POTTS.

Bank Stock. Mr. S. C. Denny bought the ten shares stock in the Lancaster National Bank sold by Dr. Dave Logan's executor at Danville. The stock brought \$101 per share. Ten shares of the Citizens Nat'l Bank, Danville, were bought by D. C. Prewitt, at \$39 per share; 10 shares of the Farmers National by Thos. McRoberts, at \$195 per share; B. O. Rodes 10 shares of the Boyle Nat'l, at \$155.50; 10 shares at \$155, and seven shares at \$109 per share.

Show Niggers' Fist. While the show was unloading Tuesday morning, Charley Hatt, a negro, together with other loafers, stood around in the way. A show negro dropped a plank near Charley and the latter tackled him for a scrap. The show negro stopped long enough to floor Charley with his fist and then went on about his work. Charley's mouth looks like a beef's liver and he is satisfied that "show niggers" are good things to let alone.

Past the Notch. Some one suggested that Lancaster have a centennial celebration, but we learn from good authority that the town was one hundred years old in 1806. Several towns have had street fairs, which are on the same order, so far as the parade is concerned, but it's most too late to get up anything of the kind now. Let's wait 'til next summer. Make by that time some of the cusses, who object to every public move, will have obliged the town by dying.

Prices and Quality. I have 1,000 samples for Fall and Winter Suits, which are offered at the very lowest prices. I make small profits in order to sell. Tailor made suits as low as \$11.25, up to \$30. Ready-to-wear ALL WOOL suits from \$7.50 to \$18. Come and test the goods and compare prices and qualities, and you will buy. Thanking my old customers, I invite everybody to come to see me before buying.

M. D. HUGHES, Agent.

Something New and Very Good. We have recently placed in our mill one of the most complete Corn Cleaners that is made. It cleanses corn perfectly and makes the meal as pure as the cleanest flour. It first takes out, by separation over sieves, all pieces of cobs, shuc's, rat sith etc., then it scours all impure smell from the corn. We also keep in stock Graham flour put up in 12 1/2 lb. sacks made of all the wheat and ground on French Burr Mill Stones. We are now prepared to clean seed wheat at 5c per bushel.

BURNAM & RUCKER

House for Rent. The Cottage just inside the toll-gate on Stanford pile, occupied by W. McC. Johnston, will be for rent by or before the last of September. It has three nice rooms, large kitchen, two porches,

splendid cistern water right in the porch, large yard, splendid garden, good stable and buggy house, large lot, and is every way a desirable residence. It is freshly painted and in thorough repair throughout. It has a good servants house of three rooms that readily rent for thirty-six dollars a year. Any one desiring to move to town where they can educate their children for nothing, would do well to examine this place.

For information call on, or address W. McC. Johnston or W. J. Romans, sep 2-17.

Promotion for Tink. Mr. A. Tink Anderson, who has been wagon master for the Second Kentucky turned in his stock when the regiment was furloughed and was highly complimented for the efficient manner in which he had attended to his duties. It will be seen that his good work was appreciated from the fact that he has been appointed to the same office for a division located at Anniston, Tenn. His new place is much more important, but many more of Uncle Sam's dollars are put into "fourmonds" pocket. He left Tuesday night for Anniston.

Now is Your Chance. We have just returned from the cities with our fall stock of general merchandise. We worked very hard in getting a nice assortment, and we do not hesitate to say that we have the Largest, the Newest and the Most Complete stock of Dry Goods, Clothing, Boots, Shoes, Hats, Furnishing Notions, Ladies Wraps, Queensware, Hardware, Furniture, etc., shown in this part of the country. And the most important part is we bought them at the right prices, and we will give our customers the benefit of those prices. We have not space to mention prices, but we respectfully invite everybody to call and see us and you cannot fail to appreciate our nice line of goods, and our exceeding low prices. We handle all kinds of country produce. R. L. JENNINGS & Co. Paint Lick, Ky.

Harris Circus. Harris Nick's Plate Shows exhibit d here Tuesday. It is much better than when here earlier this summer and the program was far above the average. The performers were splendid, the band excellent and, in fact, the entire show gave perfect satisfaction. The managers are all gentlemen and we never had dealings with a squarer set of men. The show is heading for winter quarters and I played the return engagement here to fill in extra dates. There was no disorder about the show, Mr. Harris always striving to keep out rowdies from his grounds.

VELVETY SOFTNESS

Combined with great durability are the chief merits of our carpets.

Of course they have many other things to commend them, notably great beauty of design and wonderful blending and harmonious contrasting of colors which give rich brilliant but thoroughly refined and artistic effect.

Then in matter of price we doubt if anything like these values can be found outside the big centers of trade.

Our Fall and Winter stock in every line is almost complete. We would be glad to have everybody come in and see us.
