Dear Sir—

You will find the points on this plow fits perfectly and every one will fit like the point that was on the plow when it came from the Factory, guaranteed to fit—nothing like it in the Plow line.

We have a number of customers using this plow who says it beats all plows for easy runing and light draft that they ever used—to use one is a pleasure.

MINISTERS DAY.

Each Tuesday morning the chapel period is given over to the ministers of the town, each taking his turn at conducting the devotional exercises of the school. Frequently the minister leaves a word of encouragement or a practical suggestion to the school. Brother Tindler the last visitor at chapel spoke briefly but practically on developing the powers of observation, a subject in line with the regular school work. We welcome the ministers.—Lancaster High School Bulletin.

VOGEL'S MINSTREL

The announcement that Vogel's minstrel will appear at Roman's Opera house next Wednesday night, will bring joy to the young as well as the old, for it is considered one of the best on the road and we predict that the house will be crowded on this night. Reserved seats can be had at McRoberts drug store and we would advise that you get yours now.

BURDETT.

Miss Virginia Burdett, the 10 year-old daughter and only child of Mr. and Mrs. Sam M. Burdett, Jr. of Chicago, Ill. died at the home of her parents after a brief illness of Scarlet fever. The above was contained in a message received by Miss Mary E. Burdett, of Parksville, from her brother, Mr. Geo. D. Burdett of Louisville, Virginia Burdett was a grand daughter of Mr. Geo. D. Burdett, and a very bright and attractive child.—Danville Messenger.

FARM SELLS FOR \$25,000.

One of the largest land deals made for some time in this county, was negotiated by Swinebroad, the Real Estate Man, when he sold for J. F. Robinson of Macon Georgia, his farm of 207 acres, located on Lancaster and Stanford pike about two miles from Lancaster, to A. B. Brown of this county for the above sum. This is a splendid farm well improved and on account of Mr. Robinson's business interests in the south he perhaps sold the farm for less than he otherwise would and it is considered that Mr. Brown secured a bargain.

BIRDS ATTRACT ATTENTION.

During the heavy snows this winter four red birds have frequented the home of Mr. J. E. Stormes where a friendly welcome always awaited them as well as a lunch of beef suet and grain. No doubt they told of their friends to others of their "kith and kin" for during the cold days of last week as many as forty-five robins were counted at one time in this yard. Why not everybody protect and feed the bird friends during these crucial times of snow and sleet? During the coldest weather of this season Messrs John Ross and John Farra scattered grain over their farms for birds and pheasants as did others. Sixteen quail came into the yard of R. L. Elkin where they were fed and unmolested, being allowed to depart in peace. Kentucky will be a grand place in which to live when we learn to protect and restore some of the things with which we were once so abundantly blessed.

LINCOLN

If Abraham Lincoln looks down upon us to-day, he sees that for which he labored, suffered and finally laid down his life. His ideal of a united Nation is fully realized. Through travail and blood he pursued his ideal; and in anguish the Union was cemented, United we are to-day as never before in the country's history. It is because we face other big possibilities of travail and blood that we are so united. Not in the quest of material store, but in peril and pain do we enter into that spiritual partnership which makes us truly strong and great. If Lincoln looks down upon us to-day his kindly soul must rejoice to see that righteous principal still actuates us. No thirst for gain, no yearning for dominion or glory; but humanity as expressed in justice and decency, impels the Union which Lincoln preserved to stand sorrowful but resolute, upon the threshold of war to-day.

MEMORIAL METHODIST SUNDAY SCHOOL.

The Sunday School will meet next Sunday at 9:45, as usual. The mechanic promises that the furnace will be repaired before then. We regret very much that we were smoked out last Sunday, but trust that such will not occur again. F. D. Palmeter, Pastor.

FORMER PITCHER

McCORMICK DIES.

Mr. Milton McCormick, aged 39 years, formerly star pitcher of the Lexington club of the old Bluegrass Base Ball league, and more recently with the South Atlantic league, died at the home of his parents in Hustonville Friday of tuberculosis. He was a member of the Bluegrass league during the season of 1909 and was traded to the Paris club the next year and later transferred from there to the South Atlantic league. Mr. McCormick was a brother of Mrs Logan Hubble who has the sympathy of Garrard county friends.

VETERAN PHYSICIAN

DIES OF INFIRMITIES.

Dr. William Doores, 87 years old, died at Crab Orchard, Friday, of the infirmities of age. He had been in active practice for half a century, retiring about four years ago. He was a Captain in the Confederate army under Gen. Price. He was wounded several times and had five horses killed under him.

After the war he settled in Garrard county, going from Garrard county to Lincoln in 1857, where he has lived since. His wife, who was a Miss Thomas, of Missouri, died ten years ago. He leaves three daughters, Mrs. Sallie Coniter, New Mexico; Mrs. Lura Speigel, of Shelbyville, Ind; and Mrs. Leila Livingston, of New York City. The body was brought to Lancaster for burial Sunday, and laid to rest beside other members of his family.

HERBERT LEE GOES

TO RICHMOND.

Mr. Herbert Lee, who has been for the past two years associated with his father, Mr. H. D. Lee, in the grocery business, has sold out his interest and has bought an interest with his brother Mr. Harvey Lee, in a barber shop at Richmond. The following is clipped from the Climax-Madisonian:

"Mr. M. M. Dickerson, known to everybody as 'Cap,' and who has conducted a barber shop on Main street, near Second, has sold the shop and his good will to Messrs Harvey G. and Herbert Lee, of Garrard county, who continue the business at the same old stand. Mr. H. G. Lee has been a resident of Richmond for more than two years, and has had charge of Mr. Dickerson's business during his illness, extending over a period of nearly a year. The many friends of 'Cap' deplore the idea of his retirement, but sincerely trust that he will be restored to health and again take his old place among his friends and acquaintances. Mr. Lee since his residence among us has made many friends and his success is assured."

LINCOLN'S BIRTHDAY.

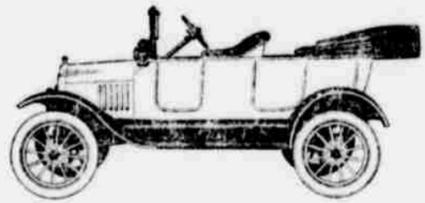

Although Kentucky is the birth place of Abraham Lincoln his birth was observed Monday as a legal holiday for the first time. This was made possible by an act of the last legislature. The post office was closed and a large flag hung out, the school children eulogized him in original essays and poems, otherwise the day passed off as usual. Two more dates were added to the repertoire of many children, namely February 12, 1809 and April 15, 1865.
