No odds how sick, headachy, bilious and constipated you feel, a Cascaret tonight will straighten you out by morning. They work while you sleep. A 10-cent box from your druggist will keep your head clear, stomach sweet and your liver and bowels regular for months. Don't forget the children—their little insides need a gentle cleansing, too.

Methodists Ask \$100,000 to Build College at Rome

New York, Jan. 26.—Rev. Dr. Ezra Z. Tipple, president of Drew Seminary, speaking today of the announcement from Rome that his brother, Rev. Bertrand M. Tipple, pastor of the American Methodist Church of Rome, had bought land there on which to erect a great modern college, said the purchase was made for the board of foreign missions of the Methodist Episcopal Church in America.

This was the first step, he said in the board's founding of a college in Rome for boys and young men. The institution as planned is to be primarily for secular education, but with a religious motive. No religious discrimination, however, Dr. Tipple said, would be allowed.

The college will complete the Educational system of the Methodist Episcopal Church in Rome, which includes Reader Theological Seminary and Cranden Hall for Girls, which the Women's Board of Foreign Missions established.

Chronic Constipation Cured.
 "Five years ago I had the worst case of chronic constipation I ever knew of, and Chamberlain's Tablets cured me," writes S. F. Fish, Brooklyn, Mich. For sale by ALL DEALERS.

Worth Knowing.
 Never throw away pieces of lemon after they have been squeezed with the lemon squeezer, for they come in handy for removing stains from the hands and elsewhere. Dipped into salt they will scour copper kettles nicely and remove stains from brasswork. Lemon like this will take stains, dirt and odor from pans and kettles as nothing else will. The odors of fish and onions can thus be easily removed.

Chamberlain's Cough Remedy.
 This remedy has no superior for coughs and colds. It is pleasant to take. It contains no opium or other narcotic. It always cures. For sale by ALL DEALERS.

New Berry in Demand
 The loganberry, a hybrid of the blackberry and raspberry, is said to make the finest of jellies, jams and pies. Introduced a few years ago in the west, its popularity has been steadily increasing, and the demand now outruns the supply. Western Oregon and Washington are the greatest producers of the new berry.

FEEBLE OLD PEOPLE

Are Told How to Regain Strength and Vigor.

As one grows old the waste of the system becomes more rapid than repair, the organs act more slowly and less effectively than in youth, the circulation is poor, the blood thin and digestion weak.

Vinol, our delicious cod liver and iron tonic without oil is the ideal strengthener and body-builder for old folks, for it contains the very elements needed to rebuild wasting tissues and replace weakness with strength. Vinol also fortifies the system against colds and thus prevents pneumonia.

Mrs. Mary Ivey, of Columbus, Ga., says: "If people only knew the good Vinol does old people, I am sure you would be unable to supply the demand. I never took anything before that did me so much good as Vinol. It is the finest tonic and strength creator I ever used in my life."

If Vinol fails to build up the feeble, old people, and create strength we will return your money.

PUNISH "GRANDMOTHER OF RUSSIAN REVOLUTION"

Mme. Catherine Breshkovskaya Sentenced to Solitary Confinement

New York, Jan. 29.—Mme Catherine Breshkovskaya, the Russian revolutionary leader, has been punished for her recent attempt to escape from Siberia with a sentence of eighteen months of solitary confinement.

It was early in December, last year, Mme. Breshkovskaya, "the grandmother of the Russian revolution," made a second unsuccessful attempt to escape from the perpetual exile to which she was sentenced in March, 1910.

Accomplice, Disguised, Eludes Police
 She had been permitted to go to dinner under police escort at the lodging of a fellow exile in the village of Kirensk, up under the arctic circle. She remained until evening, when a companion, Andreff, dressed in her clothing, emerged from the house, pretending to be a sick woman.

Accompanied by the police, the accomplice hobbled to the lodging of Mme. Breshkovskaya, where she remained.

This was on Dec. 1, and it was not until Dec. 4, that the escape was discovered. All the machinery for pursuit was put to work, with the result that Mme. Breshkovskaya, dressed as a man, was intercepted in the Siberian wilds and taken back to Kirensk.

Spent Third of Life in Prison
 Mme. Breshkovskaya is 70 years old, and more than 25 years of her life has been spent in prison or in exile. Her father was a nobleman and landowner in the Province of Chergoff. She is well known in the United States, where she has visited.

Her present exile followed a trial for revolutionary conspiracy that attracted public attention in many countries.
