

A PROBABLE MURDER.

Portions of a Female Body Found in the River Near Rising Sun, Ind.

Rising Sun, Ind., May 30.—There is much excitement over in Switzerland county over a portion of a body caught floating in the river Monday night that seems to point to a murder. Monday afternoon, while two boys were fishing just below the mouth of Grant's Creek, in Switzerland County, about five miles from this place, they saw a curious package floating in the river. They towed it to the shore and opened it, disclosing the head, hands, feet, and legs of a human being. The legs had been disjoined at the hips and knees, and one foot at the ankle, the other at the instep, and the hands were cut from the arms at the wrist. The different parts all evidently belonged to the same body, and that seemed to be a pretty young woman of about twenty-five to thirty years old, with black hair, braided in two long braids. She had a full set of teeth, except the first double tooth of the left side of the upper jaw, which had decayed and had been plugged with gold. Her ears had been pierced for rings. There was no other marks by which she might be identified. The feet and legs were wrapped in paper, and then in a small, red-clothed oilcloth, and with the hands and head were wrapped in another oilcloth like the first, and tied with a strong hemp cord.

Esquire James M. Long, of Davis' Corner, held an inquest, after which the parts of the body were inclosed in a box and buried on the river bank, 100 yards below the residence of Lafayette Houze. One peculiarity was that the work of dissection seemed to have been done by a practiced hand, as every cut was smooth, and disarticulation was without hacking or unnecessary cutting.

An Ex-Alderman and Wife Drowned.

CINCINNATI, May 30.—Yesterday Ex-Alderman John Geiger and his wife, living in the Fairmount suburb, were drowned in Mill creek. The fact is only known by the discovery of the wheels of the buggy. Bodies not yet recovered.

OF COURSE WE CAN

Manufacture the Steel Required for Our Cruisers.

WASHINGTON, May 30.—In April the Naval Advisory Board prescribed tests to be required for the steel in the new cruisers of war. Complaint is made by the leading manufacturers of steel that the tests are too severe, but no doubt is felt at the department that steel of the required strength and elasticity can be obtained. There has been some doubt whether the department could obtain in this country steel guns of the required description to arm the new cruisers, and the Secretary has considered whether it might not become necessary to purchase guns abroad. American manufacturers, however, claim to be able to supply all that are needed.

AYER'S Cherry Pectoral.
No other complaints are so insidious in their attack as those affecting the throat and lungs: none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.
"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me. HORACE FAIRBROTHER," Rockingham, Vt., July 15, 1882.

Group.—A Mother's Tribute.
"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely, I am, Mrs. EMMA GEDNEY."
150 West 128th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effective remedy for coughs and colds we have ever tried. A. J. CRANE," Lake Crystal, Minn., March 13, 1882.
"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL. JOSEPH WALDEN."
Byhalia, Miss., April 5, 1882.
"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles. E. BRAGDON," Palestine, Texas, April 22, 1882.
No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will always cure when the disease is not already beyond the control of medicine.
