Queer War Proceedings of Austria, Germany and Russia—Revived Activity of the Russian Nihilists—Missionary Shaw's Mazy at Last Over.

ENGLAND.

LONDON, Oct. 26.—The Cabinet has discussed the case of Missionary Shaw and decided that the proposition of the French Government to pay £1,000 indemnity to him and apologize to the British Government would be a satisfactory settlement of the matter.

RUSSIA.

ST. PETERSBURG, Oct. 26.—Arrests of Nihilists continue daily. Yesterday a number of students were arrested, and upon one of them was found a manifesto headed, "Executive Committee to the Czar." The document demands general amnesty for political offenders, entire freedom of the press and speech, and a Parliament elected by the people. Unless these demands are complied with the writers threaten rebellion, vengeance upon the nobility, and the death of the Czar.

AUSTRIA.

VIENNA, Oct. 26.—The Emperor Franz Josef has received several delegates from Austro-Hungary and the districts in the Southeast. They have represented the difficulties likely to grow out of the anti-Semetic contest, and have advocated a peaceful solution of such local differences as exist between Austria, Bulgaria and Roumania. The Government is inclined more toward peace than are the Provinces, but the feeling on the eastern borders may lead to an outbreak and several measures have been decided upon to strengthen the Home Government and place Austria in a position to meet a war. Such measures as are proposed are considered of importance enough to demand an increase of the ordinary war budget.

BERLIN, Oct. 26.—The German officials confirm the reports that the Cossacks are congregating at the German frontier threatening towns and villages on the border. Large drafts of cavalry are being sent to protect the frontier.

GERMANY.

BERLIN, Oct. 26.—The Duke of Edinburgh and Prince Weniger consulted with the Emperor yesterday in reference to the rupture between the Duke of Saxe-Cobourg-Gotha and the Duke of Edinburgh, caused by the latter's refusal to be present at a ball given by the former unless certain persons were excluded. The Emperor promised to act as mediator and will eradicate any ill feeling which may exist between the two.

AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs: none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.
"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me. HORACE FAIRBROTHER." Rockingham, Vt., July 15, 1882.

Croup.—A Mother's Tribute.
"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours, MRS. EMMA GENNEY." 129 West 128th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried." A. J. CLARK, Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL." JOSEPH WALDEN, Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung trouble." E. BRADGON, Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will always cure when the disease is not already beyond the control of medicine.
