EARLY DECISION IS UP TO COURT

Preliminary Obstacle to Appeal on Eight-Hour Law Are Removed—Agreement Reached—Case Decided by Judge Hook to Be Taken to Highest Tribunal.

Kansas City, Mo., November 24—All preliminary obstacles to a decision by the Supreme Court of the United States on the Adamson law were wiped out today. The only possible hitch in the proceedings now lies in the question whether the highest court will advance the case and can render a decision by January 1, when the law is scheduled to go into effect.

The case of the Atchison, Topeka & Santa Fe and of other railroads which applies to Judge John C. Pollack, in the United States District Court at Kansas City, Kan., were, by agreement of counsel for the government and railroads, postponed until after a decision by the Supreme Court.

An announcement was made by Frank Hagerman, special assistant to the Attorney General, and Walker D. Hines, chairman of the committee of postponements would be requested in all courts of the country where injunction suits have been filed.

The case which goes to the upper tribunal is that of the Missouri, Oklahoma and Gulf railroad, hurriedly heard here Wednesday by Judge William C. Hook, who held that the law was unconstitutional.

An appeal was immediately taken.

States Right Again

Washington, November 24—A new turn to the argument that States rights would be invaded if the Federal government had sole power to regulate and control interstate carriers, was given today before the Joint Congressional Committee Investigating transportation problems, by A. P. Thom, counsel for the railway executive's advisory committee.

Mr. Thom declared that the vesting of such exclusive power in the hands of a Federal regulating body instead of invading the rights of the States would protect them. He based his conclusion on many instances in which the effect of actions by State Railway Commissions has been seen to interfere with commerce in neighboring States.

Emphasis was laid upon the situation which has followed the recent Interstate Commerce Commission order for a realignment of rates throughout the Southeast under the long and short haul clause of the railroad rate law. The effectiveness of the orders has been suspended, Mr. Thom said, while the Georgia State Railroad Commission has for six months examined them, and the benefits the commission expected to extend to that entire section of the country have been held in obedience. He spoke also of the Shreveport, Louisiana, rate case as one of the decided by the Interstate Commerce Commission involving a clash between the Federal Commission and the Texas State Commission over interstate and intrastate rates.

Mr. Thom said the frames of the constitution gave the right to regulate commerce among the States to Congress because the history of the colonies showed that unwise, unfair and even dangerous methods resulted from attempts to encourage the commerce of individual colonies at the expense of neighbors.

Speaking of the difficulties of financing the railroads, Mr. Thom dwelt upon how difficult it may be for a carrier to get money even when the markets are favorable if it is necessary to have security issues passed upon by one or more State commissions.

HUMANITY APPEALS AGAINST DEPORTATION

Washington, November 24—Another appeal from the Belgian government for American influence against the deportation of Belgians to work in Germany was handed to the State Department today by Minister Havenith. It was in the form of an instruction to the minister declaring the situation was becoming more terrible every day, and directing him to beg the Secretary of States to "urge the German government to consider the consequences of the crime against humanity committed in their names."

Charge Grew, of the American embassy at Berlin, already is making informal representations at the foreign office in behalf of the Belgians. It can not be learned that the State Department has yet decided upon a line of action in the event that the German reply is unfavorable.

ARE YOUR KIDNEYS SICK?

Many Maysville People Have Kept Well By Keeping Their Kidneys Well.

The first symptom of kidney trouble may be only a slight pain in the back, a feeling of stiffness or soreness in the loins, or some annoying irregularity of the urinary passages. Urine is often discolored and perhaps sediment gathers upon standing. Next may come a dull, throbbing headache, sharp, knife-like pains, headaches, dizziness and in many cases, lameness when arising in the morning. No one can afford to delay until these troubles become serious. Begin using Doan's Kidney Pills, the tried and tested kidney remedy that has won the praise of thousands. Maysville readers should find convincing proof of merit in the following statement. It's from a resident of this locality.

A. Sorries, Locksmith, Aberdeen, O., says: "The action of my kidneys was irregular and the kidney secretions contained sediment. I had backache and when stooping, it was hard for me to straighten up. Colds always settled on my kidneys. I used Doan's Kidney Pills and they stopped the trouble and my kidneys became strong."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Sorries had. Foster-Milburn Co., Props., Buffalo, N. Y.

PARIS MAN HAS BIG TIME IN DANVILLE

(Danville Advocate)
A frank bet between Groceriesman Charles P. Ceell, Jr., of Danville, and Mr. Watson W. Judy, of Paris, representative of the Armour Packing Company, made over the result of the recent election, caused more genuine merriment than has been witnessed in this city in the past several months. Mr. Ceell took the Hughes end of the betting, while Mr. Judy espoused the cause of Wilson. The loser was to

push the other from the postoffice down through Main street to Second street in a wheelbarrow, so Mr. Judy had the ride, amid the greatest excitement and the applause of a perfect multitude of excited on-lookers. The whole affair was enjoyed by all and a general good feeling prevailed the bettors as well as the spectators. It really caused more excitement than has been seen in Danville in many months past.
Mr. Judy is well-known in Maysville, making a weekly trip to this city in the interest of his firm.
