**TOBIN.**

Mr. and Mrs. Edward Tobin of Minerva, are rejoicing over the arrival of a fine son Sunday night at 10 o'clock. Mr. Tobin is a brother of Mrs. Thomas Lalley of Bridge street.

Mrs. Dimmitt Knight left Sunday for Columbus, O., called there by the serious illness of her sister, Mrs. Louis Heneker.

Mrs. Bovee D. Core, accompanied by Mr. and Mrs. Will Bateman, Mr. Raymond Pardee and his mother, Mrs. Jennie Pardee of Lexington, Ky., motored down Sunday in their Chalmers for a few days visit with Mr. and Mrs. Gordon Gilmore.

Mr. J. H. Swister lost a valuable work horse last Saturday while plowing at Springdale. The animal dropped dead in the harness.

**SUNDAY'S RAIN**

Amounted To Almost a Water Spout In This City, Doing Some Damage.

The weather man was on the job all right for his predictions as to the weather in this vicinity as far as the rain was concerned. Sunday afternoon about 4:30 a heavy rain and hail storm struck this community, coming from the southwest, and for a short time the rain came down in torrents, with a mixture of hail and wind, turning the streets into miniature creeks all over the city.

On Bridge street the water rushed down to the hole under the C. & O. washing rock and sand onto the street car tracks, and a car attempted to go through it, but jumped the track. Another car went to its assistance and it, too, got off the track, compelling the company to transfer around them until they were replaced on the track.

The downspouts on the new addition to the Central Garage on Market street, became choked and the water backing upon the almost flat roof, caved in, damaging two automobiles slightly.

On West Second street a choked sewer caused water to back up in the residence of Mr. Pearl Blythe, the barber, doing some damage.

A large barn on the farm of John Brannon in the Lewisburg neighborhood, was struck by lightning and burned, together with its contents. The loss is heavy.

Rain continued to fall at intervals almost the entire night, the government gauge reporting a total rainfall of 1.79 inches.

A large amount of damage was done throughout the county by washing of farm lands.

**SUPERVISOR MITCHELL'S FINAL REPORT.**

The Maysville market closed on Friday, March 24, in a most satisfactory manner to both buyer and seller, the prices on all grades being fully as high as at any time during the season.

The market sold 17,412,200 pounds for \$1,948,543.19, at an average of \$11.20. Last year's average was \$8.21, this season showing an advance of 33 per hundred.

The market for the entire year has been better supported and held to a more uniform price day after day than any year since it was opened, there being no radical raises or falls.

The great number of factory buyers and brokers now located here makes it so that if one drops out there is another to take his place. This fact makes Maysville the most reliable daily market of northern Kentucky or southern Ohio.

The loss of one-third in pounds was largely made up to the grower in the advance in price, but fell very hard on the warehousemen.

The extreme high price of fertilizer is bound to cut the Carolina crop. Dairying is having its effect in eastern Kentucky and southern Ohio and the high price for hemp will cut the central Kentucky crop, so it looks good for the tobacco grower of Mason and adjoining counties.

My advice to all is to grow all that you can PROPERLY CARE FOR BUT NOT ONE POUND MORE, for each season now clearly demonstrates that it is the careful handler that gets the money. As an illustration, one grower on Friday, March 24, sold his crop at an average of \$24.43.

Here is hoping for a 30,000,000 sale in Maysville next year and a good crop. W. MITCHELL, Supervisor.

**HUMANE SOCIETY MEETING.**

Friday evening there was a called meeting of the Mason County Humane Society. The problems of the work were discussed and it was decided to try to get a trained and efficient worker to come here and take entire charge of the humane business. Some one who can give his entire attention to looking up the cases of neglect and cruelty in the county and city. Such a worker will have to be paid a salary while here. The Humane Society has eight-six names on its roll and since so many are interested in this good cause there need be no trouble about raising the salary of a Humane Officer. The people of the county should be as much interested as those in the city, and branch societies should be organized in every community.

Miss Alice Lloyd, president of the Mason County Woman's Suffrage League, is attending a state meeting of suffrage clubs of Kentucky at Louisville.

Mr. and Mrs. Harry Talle of Cincinnati, spent Saturday and Sunday with his parents, Mr. and Mrs. William A. Talle of East Second street.

**MRS. CAL MCCARTHY DEAD.**

Mrs. Cal McCarthy, aged about 90 years, died at her home at Minerva Saturday night of infirmities incident to age. She was one of the pioneers of the section in which she lived, having come here from Ireland when quite young and has been a resident of Minerva ever since. Her husband died about fifteen years ago. The funeral was held Monday morning at the Catholic church at Minerva, services by Rev. Father Coleman.

**MRS. PETER KING**

Former Maysville Lady Commits Suicide in Cincinnati By Jumping From a Third Story Window.

Mrs. Peter King, aged 54, widow of a former widely known contractor, Peter King, of Frankfort, while suffering from a nervous breakdown, jumped from a third-story window at the home of her sister-in-law, Mrs. Kate Fitzgerald, in Cincinnati, Saturday morning and died from a fractured skull.

Mrs. King's husband, with John King, father of J. J. King, at one time were members of the contracting firm of Mason, Hoge & King, and the King brothers amassed a considerable fortune in the contracting business. At the time of her death Mrs. King was said to be very wealthy.

After the death of her husband Mrs. King resided in Frankfort and for several years had made her home with her nephew at the Frankfort hotel. She left Frankfort last October and went to Martinsville, Ind., where she remained three weeks, going then to the home of her sister-in-law, Mrs. Kate Fitzgerald, on Broadway in Cincinnati.

Upon going to Cincinnati, Mrs. King placed herself under the care of a nurse specialist, and upon his instructions she was placed under the care of a trained nurse. Early Saturday morning, according to information from Cincinnati, she escaped from her nurse and ran to an open window and leaped to the ground.

She was a daughter of Mr. John Fitzgerald of this city, and was a cousin of Col. C. T. Moore, County Road Supervisor, who left Sunday to attend the funeral which will be held in Louisville.

**QUITE A COINCIDENCE.**

If any one has it in their head that Maysville is not a healthy place in which to live, let them glance at this remarkable happening, which without arrangement, was noticed in the barbershop of Mr. George Schwart Saturday morning. Seven Maysville residents were in there at once, the youngest 75 years old and the oldest 90 years. Six of them were Col. Maitby, Col. Respass, Dr. Frazee, Mr. J. N. Kirk, Mr. John Boulden and Mr. Charles Cannon.

Mrs. Elizabeth McCord of Flemingsburg, Ky., widow of William A. McCord, Company A, Sixteenth Regiment Kentucky Volunteer Infantry, has, through her attorney, Nannie McKelup Peebles of this city, been granted widow's original pension at the rate of \$12 per month; also the accrued pension due her husband.

Mr. James Riley of this city, and Mr. John Grant of the county, are members of the grand jury for the April term of the Federal Court which convenes Monday, April 3, at Covington.

The West Union tobacco warehouse earned 15 per cent on its capital stock this season.

**FARMERS!**  
Save Manure From Your Live Stock

It is as precious as the golden grain in your bin. Farmers in the old countries recognize this, and they not only save every pound and apply it in such a way that losses are reduced to the minimum, but they gather leaf moulds, sediments and mucks from swamps which they mix with manure in order to render them more valuable. Manure deteriorates very rapidly unless properly cared for. Don't leave it carelessly in the yard, thereby letting dollars get away from you, but come in TODAY and get a John Deere "hip-high" Spreader, the kind with the heater on the axle, and spread fertility and prosperity broadcast.

**Reliability in Hunt's BLACK SILKS**

Not all Black Silks are reliable in weave or dye, as many women have found out to their loss after wearing inferior weaves a short time. It is often actual economy to pay a trifle more a yard and get Black Silks that wear well, than to save the difference and have only disappointment instead of service. We call your special attention to the following weaves: Cashmere Charmeuse, Pussy Willow Taffeta, Crepe de Chine, Gros des Londres, Crepe Meteor, Georgette Crepe, Japs, Messaline, Taffeta, Charmeuse, Poplins, ranging in price from 50c to \$2.25.
