SPECIAL MESSAGE.

Gentlemen of the Senate and House of Representatives.

By proclamation from May or Gen. Banks in the several newspapers you will see that an election is ordered by the portion of the State of Louisiana now in the possession of the enemy, for State officers.

The object of the proclamation is plainly to divide the people of the state and get many committed to the federal rule under the false and deceitful promise of an independent State government. Every man in Louisiana who has suffered from yankee outrage well knows that this is a mere mockery, for the action of the so called State government, will be thwarted by the military just so soon as it attempts to redress any grievances. I respectfully suggest that you immediately pass joint resolutions declaring that all who shall participate in said election, hold office by virtue of the same, or attempt to set up a government against the legitimate and regularly constituted authority of the State, are the only Rebels, and will be liable to all the pains and penalties of treason.

HENRY W. ALLEN,
Governor of the State of Louisiana.
Shreveport, La. Feb. 4th, 1864.

In relation to the foregoing message, on motion of Mr. Morehead, it was

Resolved, That the message of his Excellency Gov. H. W. Allen, relative to the proclamation by the United State authorities in this State, for a State election, be referred to a select committee of —— members on the part of the Senate, and five members on the part of the House.

On motion of Mr. Blanks it was

Resolved, That the printer of the journals in the newspaper be authorized to omit publishing Executive messages which may have been already published in his paper.

On motion of Mr. Robertson it was

Resolved, That the sum of one thousand dollars be and the same is hereby allowed to the Sergeant-at-Arms of this House, said amount to be paid on his own warrant out of the contingent expenses of this House.

Mr. Myers presented the following resolution:
