"The Holiday Season is Drawing Near"

HOW ABOUT THE PRESENT

for that dear wife, who has toiled so hard for you? She deserves something nice for the home. What could be more appropriate than a piece of our

"Dependable Furniture?"

It would gladden her heart, beautify the home and at the same time be of service for years to come.

A good easy Rocker, a handsome Leather Couch, a beautiful Brass or Iron Bed, a good Felt Mattress, a beautiful China Cabinet, a good, big, roomy Dining Table, a set of our fine Quartered Oak Dining Chairs, a handsome Sideboard, a swell glass door Wardrobe, a nice highly polished Quartered Oak Dresser and Washstand or Bed Room Suit.

Any of the above would make an appropriate and servicable Christmas gift.

Our line consists of a thousand and one things that would make any wife, daughter, son or relative bless you for the entire balance of your life.

Our prices are no higher this year than previous years, notwithstanding the fact that everything in our line has advanced from ten to twenty-five cents on the dollar, within the last thirty days. We purchased our immense stock before the advance and intend to give our customers the benefit of it. Don't take our word for it, but come investigate.

Our facilities are as good as any furniture house in the South, for handling your business. We have experienced packers and pack all goods free of charge, dray it to the depot and prepay the freight to your nearest railroad station.

We refund your railroad fare up to 5 per cent of your purchases
