WATERMELON PARTY.

Monday evening some thirty-four of the young people of the community enjoyed a watermelon party at the Goldsmith home. Card games and dancing furnished a part of the evening's entertainment, which culminated with the watermelon feast. In this the young men served the young ladies. Each young lady was served with the heart of a half-melon and after its deliciousness had been fully enjoyed the remaining juicy rind was gently but firmly pressed over each young lady's head. The novelty of the situation proved very striking, and they all report having had the juiciest time of their young lives.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.
