THE DREAM OF LIFE.

The above named work will soon be ready for publication in pamphlet form. It contains a true history of many a heart thrilling event, that transpired during the late struggle for Southern independence.

The authoress is one who loved the "Sunny South" from childhood's earliest years, who loved it during that dark period, when red-visaged war, threw his gory mantelh ver its smiling hills and dales, and from whose folds dropped a crimson tide from arts brave and true. And though nowthe "stars and bars" can wave no mor in the breezes of her native land, yet the clime of her birth is dearer still to the writers heart than it was in the bright days of the beautiful past.

The subscription price is one dollar per copy, in specie or its equivalent in currency, *to be paid on delivery of the book.*

To the Public.

This is to notify my friends and the Public in general, that I am not in *any way* occupied with the Collection or Settlement of the Debts due to the late firm of B. Toledano & Taylor. The affairs have been put by Court, into the hands of a "Receiver," who acts as he desires.

J. McD. TAYLOR,

L. DUPLEIX, Esq.,
Natchitoches, La.

New Orleans, Oct. 29, 66.

My Dear Sir:—As I have been a good deal annoyed by reproaches made to me by the customers of the old House of B. Toledano & Taylor, against whom suits have been, or are about to be brought. I would wish it quite well understood, that I have neither sued, nor would have raised suits against the unfortunate Planters at such a time as this, and am in no manner of way concerned therein. I will take it as a favor if you will publish the above Card and my Letter also, if you desire in *French and English*, for three Months and oblige Yours truly J. McD. TAYLOR.

PILLS! PILLS!

SPOONER'S

Immunity against the Fevers and Chills of Spring and Fall, the Dysenteries and Diarrhœa of Summer, and the various Bilious complaints attendant upon the entire year, is what the South needs and must have before that favored region will attain the full meed of its greatness. Emigration thither has been and is retarded for the lack of it; and for the same reason, cotton raising has been restricted and interfered with.

ANTI-FEVER & AGUE

In view of these facts Dr. Spooner offers to the people of the South, and to Emigrants going thither, his ANTI-FEVER AND AGUE PILLS, which have been demonstrated, repeatedly and repeatedly, to be an unerring and never-failing preventive and cure of all Bilious complaints incident to the South and West. Try but one experiment; the cost is trifling, the result is beyond any contingency. It never has failed and never can, while Physiology remains a science.

FRENCH MEDICINES
AT WORKS!

BY

GRIMAULT & CIE.

Chemist to H. F. H. Prince Napoleon

45 RUE RICHELIEU PARIS.

NO MORE COD LIVER OIL.

Grimault's Syrup of Iodized Horse Radish.

This Syrup is employed with great advantage in place of Cod Liver Oil, to which it is liberally superior. It cures diseases of the bronchial lymphatic, glandular scrofulous, cutaneous and liver complaints. It prevents consumption by purifying the blood, with which it nourishes the system and tones it. It never follows the stomach and does not cause the loss of appetite, the greatest objection to the use of the Oil. At last, it is very efficacious in the diseases of the skin.

NO MORE CONSUMPTION.

Grimault's Syrup of Hypophosphites of Lime.

This new Medicine is a sovereign remedy in pulmonic and other diseases of the lungs; promptly relieves all the most serious symptoms. The cough is subdued, the night sweats cease, and the patient rapidly recovers his health.

NO MORE POVERTY OF THE BLOOD AND PALE COMPLEXION.

Drs. Leroy Phosphate of Iron.

This new ferruginous medicine contains the elements of the blood and bones, and Iron in a liquid state. It is different from all hitherto offered to the public; is liquid, colorless and tasteless. It speedily cures chlorosis, pains in the stomach, difficult digestion dysmenorhœa, anemia.

The majority of the Academies of Medicine of Paris recommend the Phosphate of Iron, to Ladies of delicate construction suffering from anemia, and all other persons fatigued from over exertion, nervous emotions, overwork, general debility and poorness of blood.

It is the only preparation which never causes constipation, and can be borne by the most delicate stomachs.

NERVOUS HEADACHE, NEURALGIA instantaneously cured by

Grimault's Brazilian Guarana,

A vegetable substance used from immemorial in Brazil, and entirely inoffensive

Dr. Ruris Du Buisson's Digestive Lozenges and powders of the Alcalin Lactates

The Alcaline Lactates exercise the most beneficial influence over the derangements of digestion, either by their peculiar action on the mucous membrane of the stomach or by affording to the latter the salt their combination with the saliva to the gastric juice, a supply of lactic acid which all English, French and other Physiologists admit to be an essential principle of digestion. For the information of those who may be without Medical advice, it may be stated here that the symptoms of impaired digestion are Headache, pain in the forehead, hemicrania, gastris, gastralgia, heartburn, wind in the stomach and bowels, loss of appetite, emaciation, &c. All these soon disappear under the action of the Alcaline Lactates, which may be always eat in Lozenges, or Powders.

Grimault's Preparations of Matico Vegetalis.

Are used in the Hospitals of Paris, by the celebrated Dr. Ricord and are found greatly superior to all hitherto known remedies.
