Plan to Substitute Liberty Measles for German Brand Proposed

Camp Dix, N. J., Feb. 1—Contending that it sounds unpatriotic to have German measles, the soldiers at the cantonment here who are suffering from the much abused malady have started a movement to change the name of the disease to "Liberty measles." Camp surgeons who have heard the gibes and jokes aimed at their patients are so sympathetic, it was said last night, they might make an appeal to Washington to have a new brand of measles officially designated.

Lame back may come from overwork, cold settled in the muscles of the back, or from disease. In the two former cases the right remedy is BALLARD'S SNOW LINIMENT. It should be rubbed in thoroughly over the affected part, the relief will be prompt and satisfactory. Price 25c, 50c and \$1.00 per bottle. Sold by BELANGER DRUG CO.
