CHURCH NEWS

The Reverend Pastor addresses
his hearty thanks to his devoted
flock for the success of the fair given
for the benefit of Our Church.

Despite of a very bad weather the
result has been splendid and it is
the most eloquent proof of the
union which exists between the
Pastor and his flock

The Rector expresses also his
complete satisfaction for the prosper-
ity of our spiritual societies, the
league of the Sacred Heart, the
archconfraternity of Our Lady of
Prount Succor newly establish-
ed, the Alter Ladies Society, the
Alter Boys Society, and he prays
God to reward and bless all prom-
oters and members as they deserved

Don't forget your boys at the
front, my dear friends. Don't for-
get the impressive ceremony we
have had for their departure on
Sunday September 15th. Pray
for them while they are gone as a
constant reminder of our brave
men who are fighting for our coun-
try. We will post in the rear of our
Church a placard on which will be
inscribed the names of our young men
who have been called to the colors
and so we will let them know we
will do everything in our power to
help them through this struggle

SAVE GOOD OATS
FOR PLANTING SEED

Indications are that the supply of
seed oats for planting this fall will be
very short, and Louisiana farmers
who have raised oats of good quality
are urged to save them for seed rather
than to feed them. In many parts
of the South the oat crop winter kil-
led and the farmers will have to pur-
chase all their seed from other local-
ties, and those favored sections where
a partial or full crop was produced
should save every available bushel to
meet this demand.

More milk in the diet of the aver-
age family would help cut down the
high cost of living in the city as well
as in the country. Milk is one of the
cheapest of animal foods.
