There will be no public schools in St. John parish this year.

A. Riggs & Bro., Cistern Makers; Shop, No. 247 Delord Street, N. O. Send for price list.

In St. James the public schools will be closed for the present year at the end of this month.

We have received from the plantation of Andre Triche Esq., of St. John parish, a stalk of sugar cane containning four red joints

Will some one enlighten us by letting us know in a few, plain words what good was accomplished by the recent Levee Convention?

The public schools of this parish will close for the balance of the year at the end of this month. Little children, ain't you happy?

The Court House road is getting worse every day. Cannot the Police Jury appropriate a few dollars and have the same repaired.

Mr. Charles A. Bourgeois, of this parish, who was recently admitted to the bar, has accepted a clerkship in the Appraiser's Department of the New Orleans Customhouse.

Henry Parker, Julius Hughes and Cæsar Thompson, the three colored men who were arrested in Algiers, charged with petty larceny of a skiff belonging to the Star Plantation in this parish were released on bond. They have retained Charles A. Baquie, Esq., for their defense.

The great suit of J. B. Friedman vs. Adler & Co.,—dismissed by Judge Hahn for want of jurisdiction on account of non-residence of defendants—and subsequently brought and tried before Judge Monroe in the city, has been decided against plaintiff who claimed $10,000 damages resulting from an alleged illegal seizure of his store. Plaintiff will appeal to the Supreme Court. He was represented by Charles S. Rice and J. D. Augustin, and the defendants by Charles A. Baque, H. C. Miller and E. T. Florance.

The fair in St. John, notwithstanding the many disappointments incident to bad weather, took place last Sunday and was a splendid success. It will net about $4,000—one-half of which goes to the Charity Hospital and the other to the Catholic Church of Rev. Father Badoil, one of the best priests in Louisiana. Much of the success of this fair is due to the judgment and exertions of Dr. Houard, who planned the whole affair and gave it much attention and enlisted all the people of St. John in its favor. The liberal spirit of the *Mechacebe*, did much towards making it a success. St. John may be proud of the result. It is really the

The police jury in St. James have ordered all the records in the clerk's and recorder's office from 1809 to 1880 to be bound in volumes. This is a good example for our police jury to follow. All the acts of sale and mortgage should be well bound, in volumes of a suitable size and indexes made to accompany them. The sum of money expended in this way would be cheerfully contributed by our tax-payers.

There are a few deep holes in the public road in front of the Home Place, which are a serious inconvenience to travelers. It would take but little labor to fill them, and thus make the road in front of that plantation one of the best in the parish, and judging from the energy and public spirit of the owner and manager, we have no doubt this matter will be attended to cheerfully and without delay.

The roads above and below Hahnville are in a very bad condition also.

A VALUABLE ADDITION.

Because it is beneficial to the scalp and adds to personal beauty by restoring color and lustre to gray or faded hair, is why Parker's Hair Balsam is such a popular dressing.

to vigorously push a business, strength to study a profession, strength to regulate a household, strength to do a day's labor without physical pain. All this represents what is wanted, in the often heard expression, "Oh! I wish I had the strength!" If you are broken down, have not energy, or feel as if life was hardly worth living, you can be relieved and restored to robust health and strength by taking BROWN'S IRON BITTERS, which is a true tonic—a medicine universally recommended for all wasting diseases.

501 N. Fremont St., Baltimore

During the war I was injured in the stomach by a piece of a shell, and have suffered from it ever since. About four years ago it brought on paralysis, which kept me in bed six months, and the best doctors in the city said I could not live. I suffered fearfully from indigestion, and for over two years could not eat solid food and for a large portion of the time was unable to retain even liquid nourishment. I tried Brown's Iron Bitters and now after taking two bottles I am able to get up and go around and am rapidly improving.
G. DECKER.

BROWN'S IRON BITTERS is a complete and sure remedy for Indigestion, Dyspepsia, Malaria, Weakness and all diseases requiring a true, reliable, non-alcoholic tonic. It enriches the blood, gives new life to the muscles and tone to the nerves.
