

BOGALUSA LOOKS MIGHTY GOOD NOW

Meridian, Miss., Jan. 25, 1920.
Dear Aunt Rena and Uncle Dobbs:
How are you all, hope you are well. I don't like this place at all. It is the sorriest place I ever saw. I don't see why they put it on the map, because it isn't worth it. It is a lot bigger than Bogalusa, but not one-hundredth as good. I wish all the time that I could come back to a good city and not stay at this sorry place. I work all the time I am out of school, so I won't think about it, because that just makes me want to come more than ever.
I sure do miss that good little old Sunday school there, and all the boys and girls around there to play with, because I don't know anybody yet, except about five. I must quit now.
Your nephew,

MORRIS.

Miss Florence Kober, state director of the Educational Campaign of the Y. W. C. A., was in Bogalusa the first three days of this week, working in the interest of the local drive.

WEEK OF PARTIES AT THE Y. W. C. A.

Next week is party week and the clubs are busy making ready for world's of fun and foolishness in celebration of Washington's Birthday and Ye Valentine Day with brand-new jolly stunts.

On Monday, the 9th inst., the little North Side girls in "The Ready for Service Corps" will entertain a few selected friends at a George Washington party; then on Tuesday night the High School Joan of Arcs will steal forth under cover of darkness and make merry in honor of good St. Valentine. By that time mysterious "invites" will have been received by sundry and numerous High School boys bidding them come to the Y. W. on Friday night and have a good time and a great time with the "Excelsior" corps of the High School company. Last, but not least, the "Court-on-Us" grade school corps will have their Colonial party on Wednesday, February 11.

A. N. Dobbs and wife spent the early part of the week in New Orleans in attendance upon sessions of the Grand Lodge of Masons and Eastern Star.

SPRING IS HERE SAYS GROUNDHOG

You may as well get that spring bonnet ready and look into the condition of those B. V. D.'s and Palm Beach suits, because spring will be here before you know it, unless Mr. Groundhog is wrong—for the first time in many years. Monday was the day for his official appearance in the open after a rest of several months. He did not see his shadow and therefore remained out, which means that we are to have no more winter weather.

SHOWING UNUSUAL PICTURES

J. A. Spekenhler, at the First State Bank, is exhibiting an unusual set of kodak pictures that were taken from the Bogalusa airplane some time ago. Those of most interest are of clouds about a mile thick that prevented Bogalusans from seeing the sun during a late spell of cloudy weather. The pictures were taken above the clouds.

J. D. Frazier of 124 Michigan avenue, a regular brakeman on the N. O. G. N. railroad, is taking a short vacation and visiting among his relatives in North Mississippi.

HOUSE COMMITTEE OF Y. W. C. A. REPORTS

Due to a very grave mistake, the excellent report of the House Committee was omitted from the pamphlets of Yearly Reports sent out by the Y. W. C. A. It was one of the best reports of the year and will, therefore, be of interest to friends of the Y. W. C. A. It follows in detail:

The House Committee held its usual number of meetings during the year.

The inventory of dishes and silver was taken in April and some breakage and loss reported.

The spring house-cleaning was delayed until the visit of the directors of the Great Southern Lumber Company in May, and the house was tastefully decorated during their stay.

The banquet of the Women's Committee of the Victory Loan Campaign was held at the Y. W. C. A. in May and this committee gladly assumed charge of arrangements. The gym was decorated in flags and bunting and the Victory table was very beautiful.

Plans were drawn in June to have a box made for pillows and draperies; to have bookcases and desks made for the Girls' Room, and for the Library. These plans, however, did

not materialize. Twenty dollars was paid in June to an extra maid for two weeks' services; the draperies, etc., were cleaned and stored, and the house thoroughly cleaned.

In September eight vases were purchased at a cost of \$15, and flowers were kept in all rooms during the autumn season.

A porter was employed for one week to help with the cleaning. The draperies were hung in November and the house looked very cozy and comfortable.

A picture show was given in December, the printing of tickets being paid for by Berenson Bros.; \$28.10 profit was obtained.

Total amount raised for the year 1919 was \$273.83. Expenditures were \$187.68, leaving a balance of \$92.15.

MRS. W. C. MAGEE,
Respectfully submitted,

Y. W. C. A. Drive Is In Full Swing

The Bue Triangel Drive of the Y. W. C. A. began Monday morning. The net results of the first few days have not been reported, but from the figures turned in, the opening seems to have been auspicious. This is merely the beginning, however. Before the end every person in Bogalusa will have had an opportunity to contribute toward the splendid work our Young Women's Christian Association is doing. Get yourself in the mood for giving; be ready to do your part.

A. D. Driskell spent Saturday evening and Sunday in New Orleans visiting.

My Mother used MOTHER'S FRIEND before I was born

26 years ago and my birth was practically a painless one," writes one enthusiastic mother. How very natural then, that her own mother, whose experience had unqualifiedly proven the virtue of Mother's Friend would have her daughter enjoy the same benefits. Mother's Friend is used externally.
