**Spell Caused Death.**  
Duckwell, aged 25 years, died early yesterday morning, in the presence of his wife. He contracted a slight cough a few days ago and paid but little attention to it. Yesterday morning he awoke with a fit of coughing which continued for some time. His wife sent for a doctor but before he could arrive the coughing spell came on and he died from suffocation.—Globe-Democrat, Dec. 1, 1904. Sold by Chamberlain's Cough Remedy.

**RECTOR OF ST. LUKE'S.**  
Ashburnham, Ontario, Testifies to the Good Qualities of Chamberlain's Cough Remedy.

ASHBURNHAM, Ont., April 18, 1903.—I think it is only right that I should tell you what a wonderful effect Chamberlain's Cough Remedy has produced. The day before Easter I was so distressed with a cold and cough that I did not think to be able to take any duties the next day, as my voice was almost choked by the cough. The same day I received an order from you for a bottle of your Cough Remedy. I at once procured a sample bottle, and took about three doses of the medicine. To my great relief the cough and cold had completely disappeared and I was able to preach three times on Easter Day. I know that this rapid and effective cure was due to your Cough Remedy. I make this testimonial without solicitation, being thankful to have found such a Godsent Remedy.

Respectfully yours,  
E. A. LANGFELDT, M. A.,  
Rector of St. Luke's Church.

**Try for Health**

222 South Peoria St., CHICAGO, ILL., Oct. 7, 1902.  
Eight months ago I was so ill that I was compelled to lie or sit down nearly all the time. My stomach was so weak and upset that I could keep nothing on it and I vomited frequently. I could not urinate without great pain and I coughed so much that my throat and lungs were raw and sore. The doctors pronounced it Bright's disease and others said it was consumption. It mattered little to me what they called it and I had no desire to live. A sister visited me from St. Louis and asked me if I had ever tried Wine of Cardui. I told her I had not and she bought a bottle. I believe that it saved my life. I believe many women could save much suffering if they but knew of its value.

*Sergius Dumber*

Don't you want freedom from pain? Take Wine of Cardui and make one supreme effort to be well. You do not need to be a weak, helpless sufferer. You can have a woman's health and do a woman's work in life. Why not secure a bottle of Wine of Cardui from your druggist today?
