Thursday October 20, 1921

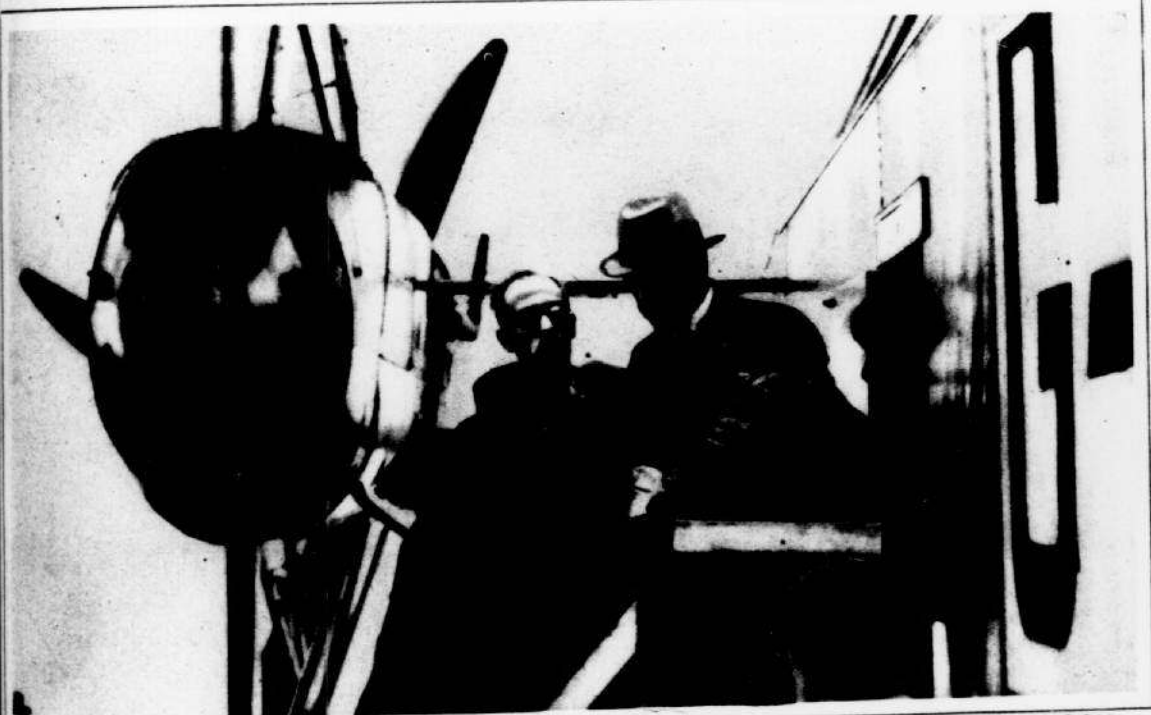

FLIRTING WITH DEATH. "Oh, just for the fun of it." That's what Captain Fitzgerald had to say when asked the "whys and wherefores" for the daredevil stunts he pulls. ---Underwood & Underwood.

ETHELDA BLEIBTREY. Olympic record holder and World's short distance swimming champion, training at Brighton Beach for the recent swimming races. ---International.

NEW U. S. S. WASHINGTON; SUPER DREADNAUGHT. The photo shows two of the huge propellers, each of which is to be driven by its own 8,300 H.-P. motor. Power for the motors will be furnished by two 5,000 H.-P. Westinghouse turbo-electric generators. ---Underwood & Underwood.

BRITISH SURGEON FLIES TO PARIS AND BRINGS DISTINGUISHED PATIENT BACK TO LONDON IN HIS AIRPLANE. An operation on Major L. E. Ottley, of the British Foreign Office---who had accompanied Lloyd George to Paris and become suddenly ill---having become urgently necessary, Sir Douglas A. Shields, a noted London surgeon, flew to Paris early in the morning and brought his patient back to London the same day for an operation. ---Underwood & Underwood.

WORLD'S FASTEST MOTOR BOAT IN ACTION. Miss America II, defender of the British International Trophy, is the fastest power boat ever built. She is shown here doing 80.97 miles per hour on the St. Clair river, at Algonac, Michigan, the day she was launched. ---Wide World Photos.

BATHING COSTUMES FROM 1871 TO 1921. This unusual group of old time bathing suits compared with those of the present day is amusing to us all. Kadel & Herbert News Service.

PRESIDENT HARDING INTERESTS HIMSELF IN THIS NEW YORK FAMILY. The fact that Mr. Domenico Zacchea and wife have sixteen living children---all unmarried and at home came to the President's attention through this photograph. ---Keytone View Co.
