Proprietors of the AMAZON STEAM COFFEE MILLS. J. B. LAZEAR & CO., ROASTERS AND JOBBERS OF COFFEE, 123 Front St., NEW YORK, BALTIMORE, Md. ROASTED COFFEE quickly becomes tough and parts with its aroma and absorbs impurities when exposed to the air. To effectively preserve the full strength and flavor of coffee, we pack it immediately after roasting in TIN-FOLIO packages (for which we have the exclusive Patent for the United States on Roasted Coffee), by which it is more perfectly HERMETICALLY SEALED than in any package offered to the public. Thus the coffee is preserved from the action of damp weather and the volatile oils, a "soft" weather, and will retain its fine quality and full strength unimpaired in any climate, on Land or Sea, for years.

ATTENTION FARMERS! Save Money by Insuring your Property in the Agricultural Fire Insurance Company OF WATERTOWN, N. Y. Assets January 1st, 1891, \$1,261,731.20. THE attention of farmers is directed to the great advantages in the way of Fire Insurance, offered by the above Company. Its assets amount to over \$1,000,000, so that failure is absolutely impossible. It insures nothing but Dwellings and Farm Property, rejecting all risk property, such as manufacturing or mercantile establishments. It not only pays for all losses by fire, but for damages done by Lightning, whether fire ensues or not. It also pays for Live Stock killed by lightning anywhere on the farm. The latter feature will commend this Company to the farmer, who is so anxious to protect his property from all causes. The terms on which property is insured are as favorable as those of any other Company in this country. A large number of prominent and well-known persons have already attested their confidence in the Company, by insuring their property with it. The terms on which property is insured are as favorable as those of any other Company in this country. For further particulars, rates, &c., call on or address, H. L. BOWEN, Agent, Towson, Baltimore county, Md. Feb. 5, '91.
