Ellsworth friends of Mrs. Josiah A. Phillips, of North Ellsworth, were pained to learn of her serious injury Saturday by a fall through a trap-door and into the cellar at her home. One shoulder blade was fractured, her left foot fractured at the instep, and she received other severe bruises and internal injuries. The full extent of the latter cannot yet be determined.

Negotiations are practically closed for the sale of the confectionery business of Capt. John A. Lord to R. B. Holmes, of Ellsworth. If the sale is effected, it is understood that Mr. Holmes' son-in-law, Roscoe H. Smith, now employed in a confectionery store in Bangor, will take charge of the store. The sale will not include the oil business, but Capt. Lord intends to dispose of this also as soon as

possible. Capt. Lord has been in business here for about eighteen years, following his retirement from the sea. He bought the business from Mr. Holmes and his brother, the late Thomas J. Holmes.

This committee will meet representatives of the Sterling Co., who are expected here the first of next month.

The calf moose captured alive a few weeks ago by L. F. Giles, of Ellsworth, and Hervey Kingman, of Waltham, is dead. Mr. Kingman, by permission of the fish and game commissioners, was keeping the moose until such time as it was thought it could take care of itself, and in the meantime had made application for permission to keep the moose and try to raise it. The moose seemed to be doing well in captivity, ate heartily and was becoming very tame. Saturday it sickened suddenly, and died that night.

Miss Margaret G. Holmes and Joseph H. Salisbury, both of Ellsworth, were married quietly Saturday afternoon at the home of the bride's sister, Mrs. Roscoe H. Smith, in Bangor. Rev. Oscar Smith, of the Pine street Methodist church, Bangor, officiated. The bride and groom returned at once to Ellsworth, where they are receiving the congratulations of their many friends. The bride is the daughter of Mr. and Mrs. R. B. Holmes, and one of Ellsworth's most popular girls. The groom is in the employ of the New England Telephone & Telegraph Co.

The annual meeting and banquet of the Ellsworth Merchants' association will be held at the banquet-room of Odd Fellows hall next Monday evening. The supper, at 6:30 o'clock, will be preceded by a short business meeting, at which it is expected several applications for membership will be presented. After the banquet, their will be the usual informal "smoker". John K. Graham, of Bangor, has been invited to address the association. Capt. Holmes, of Boston, who is interested in a project for a line of freight steamers from Boston to eastern Maine, is also expected to be present.

A project for the establishment of a line of freight steamers from Boston to Maine ports is being considered. Capt. Holmes, of Boston, who is interested in the project, was in Ellsworth last week. He says it is proposed to run a weekly freight steamer from Boston possibly as far east as Eastport, touching at Portland, Rockland and such other ports as the outlook for business seems to warrant. Ellsworth is one of the points of call under consideration. Capt. Holmes has been invited to present the matter at the annual meeting of the Merchants' association next Monday evening.

The careless handling of firearms narrowly escaped a fatal sequel in the corridor of the Ellsworth postoffice just before 6 o'clock last evening. A young boy, who had not reached the age of discretion in handling firearms, came into the postoffice with a loaded rifle. Another young man, old enough to have known better, took up the rifle to examine it, holding it horizontally. Of course it shouldn't have been loaded, of course it "wasn't cocked", but of course it went off. The bullet passed, breast high, just a few feet in front of Rev. R. B. Mathews, who had just entered the door, and buried itself in the wall. Two steps more would have brought Mr. Mathews directly in range.

A regular meeting of Irene chapter, O. E. S., will be held Friday evening. There will be a circle supper at 6:30 o'clock. The officers of the chapter, installed at the last regular meeting by Past Worthing Patron Everett S. Means, assisted by Past Worthing Matron Carrie Smith as marshal, are as follows: Annie Smith, W. M.; Chester Norris, W. P.; Margaret Jordan, associate matron; Mabel Lord, secretary; Adah Lord, treasurer; Rose Norris, conductress; Edith Lord, associate conductress; Ella Dunn, chaplain; Frances Raymond, Adah; Mina Cottle, Ruth; Katherine Staples, Esther; Carrie Smith, Martha; Matilda Friend, Electa; Mary Stuart, warder; Grace Wiggin, pianist; George Haskell, sentinel.

FOOD FAIR.  
Fourth Annual Exhibition Less Than Two Weeks Away.  
One week from next Monday the doors of Hancock hall will open for the fourth annual Ellsworth food fair. At 2 o'clock that afternoon, Gov. Haines is expected to deliver the opening address and touch the electric button formally opening the fair. The food fair committee promises the most attractive exhibition yet offered. More than the usual number of out-of-town exhibitors will be here. The program as outlined in THE AMERICAN last week gives assurance of something of new interest each day. The children are taking a lively interest in the doll parade, and this promises to be a very pretty feature of Tuesday afternoon. The baby show on Wednesday is also a new feature this year. The cooking school, which has been such a popular feature of past food fairs, will attract the good housewives of Ellsworth Thursday, Friday and Saturday. The sale of reserved gallery seats begins Thursday of next week, when only seats for the entire week will be sold. The sale of single reserved seats will open Friday of next week.

For Free City Delivery.  
Application has been made to the postoffice department at Washington for the establishment of free city delivery for Ellsworth. Under the postoffice laws and regulations a city or town, the receipts of whose postoffice are \$10,000 and over per year, is entitled to free delivery. The receipts of the Ellsworth postoffice passed the \$10,000 mark in 1907-8. At that time it was found impossible to establish the system owing to lack of facilities for handling the business, and steps were at once taken for an enlargement of the postoffice. A bill was introduced in Congress appropriating a sum sufficient to acquire needed land and for the building of the extension. After long delay the extension has been built, and the office is now ample for the accommodation of the free delivery system when established. A petition very generally signed has been forwarded to the department, and it is expected that action looking to the granting of the petition will be taken at an early day, and it is hoped that the system may be in operation by the beginning of the next fiscal year—July 1.

To Celebrate Anniversary.  
At the board of trade rooms last Thursday evening, a meeting of the Merchants' association and citizens was held to hear the report of the committee on the proposed celebration of the 150th anniversary of the settlement of Ellsworth. Charles H. Leland presided. The committee appointed at a previous meeting submitted a tentative program, and it was voted by the meeting to arrange a celebration along the lines proposed. The chairman was instructed to appoint a committee of arrangements. This committee has since been announced as follows: Roy C. Haines, chairman; Mayor J. A. Cunningham, E. F. Small, George P. Smith and R. M. Campbell. This committee met Monday evening to talk over plans. The dates selected for the celebration are June 29 to July 4. It is proposed to have special services in churches Sunday, followed on Tuesday or Wednesday by special anniversary exercises, with a carnival day and convention of Boy Scouts Thursday, closing with a firemen's muster and celebration on the Fourth.

Fire at Bernard.  
BASS HARBOR, Jan. 13 (special)—The old Benson store at Bernard was destroyed by fire last night. When the fire was discovered about 10 o'clock, the whole interior of the building was in flames. The building was occupied by Willis Towne, who came here from Bar Harbor about two years ago. He had a stock of groceries and fishermen's supplies, estimated at \$2,000, and a pool table and two bowling alleys, all of which were destroyed. Mr. Towne had an insurance of \$2,000, which will not cover his loss. The building, owned by the Benson heirs, was not insured. Though not of great value, the income from it was the principal means of support of the aged Mrs. Benson, and the losses falls heavily on her.

Burleigh Elected Senator.  
AUGUSTA, Jan. 15 (special)—Hon. Edwin C. Burleigh, republican, was elected United States senator to-day over Obadiah Gardner, whose term expires March 4. A joint ballot of Senate and House was taken at 12 o'clock, Mr. Burleigh winning by a majority of one vote.
