After any Sickness

nothing so rapidly restores health and vigor as SCOTT'S EMULSION.

It is the essence of natural body-nourishment, so medically perfect that nature immediately appropriates and distributes it to every organ, every tissue—feeding, nourishing and restoring them to normal activity.

SCOTT'S EMULSION is not a patent medicine, but is nature's body-nourishment with curative, upbuilding properties and without a drop of drug or alcohol. It contains superior cod liver oil, the hypophosphites of lime and soda with glycerine, and is so delicately emulsified that it enters the system without digestive effort—builds, tones and sustains.

After croup, whooping cough, measles and other child ailments it is nature's ally in restoring health.

After gripe or pneumonia it imparts strength and health, and for colds, coughs, sore, tight chests and throat troubles SCOTT'S EMULSION gives the greatest relief known.
