

GETTING A TRIAL JURY

Three Extra Panels Exhausted In Judge Adair's Court.

TO TRY DAVE McWHORTER FOR RAPE

Appearance of His Alleged Victim—A Fifteen-Year-Old Girl—Heavy Judgment by Default—Transcript Filed—Divorce Granted.

The case of the People vs. David J. McWhorter, information for rape, was called in Judge Adair's court yesterday afternoon. The court room was crowded with the neighbors of the parties concerned in the case. The front row of seats was occupied by the lady friends of the unfortunate girl, Miss George Moore, of Byron. The complainant is a pretty, refined appearing girl of 15 years, and sat in court with an apparent feeling of timidity. The respondent appeared restless and sat with downcast eyes as the complainant passed by him upon entering the room. He is a strong muscular young man about 23 years old, and has been in the employ of the G. R. & I. railway as telegraph operator at Rose station. Prosecuting Attorney McKnight appeared for the people and J. A. Fairfield and Frank Donaldson for the prisoner. The whole afternoon was taken up in trying to get a jury. The regular panel was exhausted and the court ordered that thirty jurors be drawn from the ten wards of the city. They were drawn as follows:

- First Ward—John S. Farr, Wm. Klevit, Albert Lanagna.
Second Ward—Chas. E. Herrington, John W. Klosterhouse, George A. Gould.
Third Ward—Cornelius Fox, Martin Schram, Samuel Fox.
Fourth Ward—Andrew A. Griel, Chas. Prang, John Cordes.
Fifth Ward—Charles H. Saunders, Bastian Dooge, Rudolph Frank.
Sixth Ward—James A. Smyth, George W. Kookey, John Ingraham.
Seventh Ward—Frank J. Fritz, Theodore Brechtling, Andrew Poposki.
Eighth Ward—Stanley Czesky, Henry Zolmer, Peter Schickie.
Ninth Ward—P. J. Thompson, K. E. Kevenshild, John Schmidt.
Tenth Ward—Henry B. Huston, Orlando Twiner, George B. Wilson.

The attorneys were unable to get a satisfactory jury from this list and another order was made by the court that a second list be prepared. The order was complied with and the following list was drawn:

- First ward—Peter Pell, Geo. Dillenback.
Second ward—Wm. Livingston, Chas. M. White.
Third ward—Geo. H. Davidson, John H. Houston.
Fourth ward—Andrew J. Stebbins, George M. Leonard.
Fifth ward—Hawley N. Cargill, John Glenn.
Sixth ward—John H. Jones.
Seventh ward—Albert S. Damakey.
Eighth ward—Peter Voigt.
Ninth ward—Thomas Chapman.
Tenth ward—Geo. Powell.

It being pretty evident that this list would not be sufficient from which to get a full panel, a third draw was ordered to be made and the following list was prepared:

- First ward—Herman Gezon.
Second ward—Albert W. Bemis.
Third ward—Cornelius Vereschoor.
Fourth ward—Henry J. Keller.
Fifth ward—James Driscoll.
Sixth ward—Amos Konkio.
Seventh ward—James A. Coys.
Eighth ward—Mathew Keller.
Ninth ward—James Lindsey.
Tenth ward—James W. Hart.

The above list had not been called for when court adjourned last evening, but a jury had not been obtained. The case will be called again this morning, when the attempt to get a jury will be renewed.

His Absence Made Permanent.

Elizabeth Blakesley was granted a divorce from Egbert E. Blakesley in the superior court yesterday. She stated that Egbert had been extremely cruel to her and that he had left her eighteen months ago. She desired that his absence be made compulsory and permanent and she did not appeal in vain.

Ordered to Show Cause.

A judgment was rendered in Justice Westfall's court Oct. 7, 1890, against Annie Tazelaar, for \$136.81. The suit was brought by the Danville Store and Manufacturing Company and the defendant was prevented from taking an appeal within the statutory limit on account of sickness. The plaintiffs are ordered to appear before Judge Adair as soon after the 12th day of October as possible and show cause why a special order of the court should not be made allowing the defendant to take an appeal from the judgment.

Fruit of a Big Failure.

A judgment was rendered in Judge Grove's court yesterday against Arthur Meigs and Richard G. Peters in favor of the Detroit National Bank for \$28,711.88. The judgment was given on six promissory notes issued by Arthur Meigs and endorsed by Richard G. Peters. They were given prior to the failure of Arthur Meigs & Co. The defendants made no contest in the case, the plea having been withdrawn.

Judgment by Default.

A judgment was rendered in Judge Grove's court yesterday in favor of the Key Manufacturing Company against John and David Wilmer, of Caledonia, for \$653.07 and costs. The judgment was rendered by default.

Sued for His Legal Services.

Dallas Roudeman, of Kalamazoo, has begun suit in the Kent circuit court, against Jeremiah W. Boynton to collect and alleged debt of \$147.50. It is claimed the amount has been due since June 18, 1888, and that the debt was contracted for legal services rendered by the plaintiff.

FRED PIXLEY GETS OFF TOO EASY

By The Failure of a Complaining Witness to Appear—Kingsley Was Released Only to Fall Into An Officer's Hand Again.

The scales of the blind goddess are kept toiling in the superior court and justice is weighed out to a number of criminals every day. Thomas McLachlin was before the bar yesterday for larceny. If there were no other bars except those of the court Thomas would undoubtedly be a better man, but he loves to linger where the "Sour Mash" floweth like a river and the beer keg smothereth its fury into the schooner and the snip. When under the influence of such surroundings Thomas loses that peculiar definitive faculty which distinguishes him from shine and the loss of it gets the loser into trouble. It was so in this case. Leonard Oorterson, sat in maltese meditation in Bernard McCarthy's saloon, Thomas saw his watch chain hanging out of his pocket and by pulling gently on it drew forth a watch. The fact that the watch and Thomas were both missing half a minute later excited suspicion. He was arrested and corroborative evidence was produced that convinced the jury that he was guilty and the court will name the penalty this morning.

Kingsley's Joy Faded Away.

Fred Pixley is the young man who removed Nathan L. Austin's horse from between the thills of his carriage and substituted an animated harrack in its place. He realized a small profit from the exchange, was arrested and should have been tried in the superior court yesterday. The complaining witness failed to show up and Pixley was discharged from custody.

Eugene Kingsley is a young man with a face like a walleyed pike. He is charged with several counts of burglary and larceny. By some oversight he was arrested under the wrong statute and the prosecutor filed his reasons for not filing an information against him. The court held the reasons insufficient and ordered the case nolle proed. Young Kingsley pranced out of the court room with a smile of delirious joy and half a dozen sympathetic bootblacks followed to congratulate him. To his unutterable disgust he met Officer Jakeway in the hall and was immediately rearrested and taken to police court there to be examined under the proper statute.

GRANTED HIS PRAYER.

M. A. Raymond recovers his little boy—An Affecting Scene. The habeas corpus case for the possession of the infant Melvin A. Raymond, brought by his father, Silas H. Raymond, was given a further hearing in the superior court yesterday. The father was granted the temporary possession of the child and was ordered to appear in court December 7 to hear the final disposition of the case. Mrs. Gooch, the lady who has had the care and custody of the child since its birth, and who opposed the restoring of it to the father wept bitterly at the order and her parting with the little one was most affecting. She was granted the privilege of visiting the child at proper intervals, and the father cheerfully acquiesced.

Could Not Agree on a Verdict.

The case of the people against Hugh Miller, charged with committing rape upon Mrs. Francis Bowers, of Casnovia, was given to the jury yesterday at noon and after wrestling with the question of his guilt or innocence until 9 p.

ARREST OF A MISCREANT.

It is alleged that he enticed little girls to their disgrace. J. Bartholomew was arrested yesterday and placed in a cell at police headquarters on a warrant sworn out by Capt. Johnson. He keeps a candy store on Plainfield-ave., near Finn's Hall, and complaints have been made that he has been in the habit of enticing little girls into his store by promises of candy and perfumery. When once inside he would take improper liberties with them by fondling them in a disrespectful manner. The parties named in the warrant are Belle Graveline and Gerie Ball, little girls 13 years old and the crime charged is criminal assault.

Destroyers Discharged.

Michael Finn and John Egan were arraigned in police court yesterday on a charge of malicious injury to property. They were arrested on the complaint of Chas. Grabe, of the Farnell House, on Plainfield-ave., who says the boys became wrathful at him because he would not sell them liquor on Sunday, and began to stone his house and to break his furniture. J. E. McBride appeared in court for the defendants, and succeeded in securing their release on the ground that the complaint was irregularly made out.

TRICKY NOEL NABBED.

An Original Plan to Secure Money Ends in Dismal Failure. Detectives Smith and Darr arrested D. H. Noel last evening for obtaining money under false pretenses. Noel is a married man residing at No. 15 Stocking-st., and has been operating his system for some time. He is 55 years old. His plan has been to go about the city under the pretense of wanting to rent a house. In making change in payment of the first installment of rent he would take a bill from the renter and go for the pretended purpose of getting it changed. After getting the bill in his possession he would fail to return. He would also borrow articles from his neighbors and sell them to dealers in second-hand goods.
