GEN. STONE ARRESTED.—General Stone, the hero of Ball's Bluff massacre, was arrested on Monday last, and conveyed to Fort Lafayette. The charges against him are, 1st, for misbehavior at Ball's Bluff; 2d, for holding correspondence with the enemy before and since Ball's Bluff battle, and receiving visits from rebel officers in his camp; 3d, for treacherously suffering the enemy to build a fort since the battle of Ball's Bluff, under his guns, unmolested; 4th, of design to expose his force to capture by the enemy, under pretense of orders for moving from the Commanding General.

General Pillow in Command at Fort Donelson—Strong Resistance to be Made.

ST. LOUIS, Feb. 11.—A special dispatch from Cairo to the *Democrat* says Commodore Foote has just received dispatches from Capt. Phelps, of the gunboat Conestoga, announcing the return of the gunboat expedition up the Tennessee river, after capturing a new rebel gunboat and destroying all other rebel boats on the river as far as Florence, Ala.

The *Republican's* Fort Henry dispatch says that a portion of the enemy encamped near the river have been moved two miles further back, with all their batteries, from which point the roads are good, and a speedy forward movement can be made when desired. Two more regiments arrived to-day, and two steamers laden with troops are just coming in sight.

The enemy at Fort Donelson is being rapidly reinforced, and prisoners say they are confident they can hold the position. Trees are being felled two miles around the fort by gangs of negroes. Gen. Pillow commands there with 2,000 men, embracing some of the best artillerists from Columbus. There are two small forts and three camps several hundred yards from the main fortifications, and coming events indicate that the coming battle will be much more desperate than at Fort Henry.

OBITUARY.

Died, in Washington on the 7th inst., of consumption, JOHN CAMPBELL, brother of Wm. H. and Robert Campbell, publishers of this paper, aged 34 years 9 months and 4 days.

Mr. Campbell was a native of Lockport, N. Y., in which place he resided until within two years of the time of his death. He was a printer by profession, and for a number of years was editor and proprietor of the Niagara (Lockport) *Democrat*. In 1858 he was appointed Canal Collector, for the village of Lockport, when he retired from the paper, but still continued to take an active part in the politics of the country. For the past two years he has been employed as proof reader in the Government Printing Office at Washington, which position he filled at the time of his death. He was a warm-hearted, genial compaiion, and an affectionate father and husband. He leaves a wife and one child to mourn his early death.

DEATHS.

In Dowagiac, February 6th, MARY GREEN, wife of Abel Green, aged 48 years 5 months and 3 days.

The deceased was a resident of Canisteo, Stuben County, N. Y. She having felt that her time on earth was short, entertained a very strong desire to see once more a beloved daughter and her family, who are residents of this place. And though her Physician assured her that she could not survive the fatigue of the journy here, yet such was her anxiety to see her children, that with an unwavering confidence in that God in whom she had so long trusted, she took her life as it were in her hand, and started with her only and beloved son; and through the sustaining grace of God, she not only lived to share the consolation of meeting her loved ones on the shores of mortality, but of gladening their hearts by her presence and smiles, for about six weeks before her happy spirit took its flight to the regions of glory. And they in turn had the pleasure of administering to and sympathizing with a loved mother in the last few days of her earthly existence. She was ever true as a friend, confiding and obliging as a companion, affectionate and faithful as a mother, and she had for over thirty years been devoted and consistent as a christian. Her end was peaceful, and we trust her future will be glorious.

A CARD OF THANKS.

The husband and children of the deceased, take pleasure in expressing their greatful acknowledgments to the citizens of Dowagiac, for the cheerful aid and sympathy extended towards them during the sickness and burial of her, whose absence they now deeply mourn.

Mother, we loved thee,
But we knew that thou must die,
We saw the rose fade from thy cheek,
The luster from thine eye.

Thy work is done, thou art at rest,
Thy pains and cares are o'er,
The place that have known thee long
Will know thee now no more.

'Twere hard, oh, very hard to part
With one we loved so dear,
But oh, we would not wish thee back
To suffer longer here.

So fare thee well mother,
We check the rising sigh,
For he who said to live is Christ,
Declared it gain to die.

MRS. POLLY C. HAIGHT.

Persons leaving for the seat of war should not be unmindful of their health. Disease will kill more of our gallant soldiers than the enemy's bullets. To cure fevers and other sickness peculiar to the climate and camp life, have with you a few of Herrick's Sugar Coated Pills. Millions have tested them. They never disappoint the sick. Large boxes 25 cents.

The Albany Evening Standard says: "Our popular townsman Dr. Herrick has supplied gratuitously all the volunteers which have left the city for war with his pills. He has also, with his accustomed liberality, contributed one hundred dollars towards the support of the families of the 25th Regiment, and offers more if necessary." Such a man should be respected and patronized. We are glad to learn that the sale of Herrick's Pills in Hudson exceeds that of all others combined. See advertisement on third page. aug23-18y1

HERRICK'S SUGAR COATED PILLS.

THE BEST FAMILY CATHARTIC in the world, used twenty years by five millions of persons annually; always give satisfaction; contain nothing injurious; patronized by the principal physicians and surgeons in the Union; elegantly coated with sugar.

Large boxes 25 cents; five boxes for one dollar. Full directions with each box.

TALLAHASSEE, LEON Co., Florida, July 17, 1860.

To DR. HERRICK, Albany, N. Y.—My Dear Doctor:—I write this to inform you of the wonderful effect of your Sugar Coated Pills on my elder daughter. For three years she has been effected with a billious derangement of the system, sadly impairing her health, which has been steadily failing during that period. When in New York in April last, a friend advised me to test your Pills. Having the fullest confidence in the judgment of my friend, I obtained a supply of Messrs. Barnes & Park, Druggists, Park Row, New York. On returning home, we ceased all other treatment, and administered your Pills, one each night. The improvement in her feelings, complexion, digestion, etc., surprised us all. A rapid and permanent restoration to health has been the result. We used less than five boxes, and consider her entirely well. I consider the above a just tribute to you as a Physician, and trust it will be the means of inducing many to adopt your Pills as their family medicine.

I remain, dear sir, with many thanks,

S. G. MORRISON.
