"THAT STANDARD SHEET."
1862.
Great National Banner of Intellect,
FOR
AMERICAN HEARTS AND HOMES!
THE
NEW YORK MERCURY.
A New Year with an Old Friend.

ON New Year's day of 1862, that world-renowned and unrivaled gem of American journalism, the peerless NEW YORK MERCURY, will enter upon the twenty-fourth year of the most brilliant career ever achieved by a paper. During the past year it has been the teacher, story-teller, mentor, and oracle of *two hundred thousand American homes*, from ocean to ocean—and from Quebec, in Canada, to Pensacola, on the Gulf of Mexico. Young and old, rich and poor, have reveled in its enchanting stories of wisdom, romance, art, poetry, and genial humor; and its praise is

"Familiar in their mouths as household words."

The noble patriot-soldier in his tent, too, has whiled away the tedium of camp life in the absorbing review of its

FORTY BRILLIANT COLUMNS,

finding in them a fascinating mental discipline known only to those who rally to the *Banner-sheet of the Grand Army of American Intellect and Genius!*

In commencing a New Year, the proprietors of THE NEW YORK MERCURY can only say, that it shall be their aim to make their great family journal of American literature, for 1862, more brilliant and enchanting than ever, in its concentration of all the world's grandest and most beautiful specialities in healthful Romance, graceful Poetry, elegant and quaint Gossip, refining Knowledge, sparkling Humor, and entertaining News—until, like love, it

"——rules the court, the camp, the bower,"

as it already rules the happy domestic fireside.

The editorial tone and National departments of THE NEW YORK MERCURY will continue true to that lofty spirit of patriotism which has made it a necessity of the people since the War began, and kept it in enthusiastic demand when other sheets were dying all around it for want of popular support.

Already the largest Literary Journal in the world, and famous as the focus of a thousand brilliant literary reputations, its programme for 1862 will be magnificent beyond all precedent. The most celebrated pens of this country and Europe have been secured in its service, *at an outlay equal to the expense of more than one national government in the Old World!* and its novelettes, or continued stories, for 1862, will be the most splendid triumphs of elegant Fiction ever published. To these, too, the magic pencil of the greatest of American artists, Mr. FELIX O. C. DARLEY, will lend the aid of pictorial art.

Our story, initiatory of the New Year, is a splendid national Romance, commencing in the NEW YORK MERCURY of Saturday, January 4th, 1862, and entitled

THE RATTLESNAKE:
OR,
THE REBEL PRIVATEER.
A TALE OF THE PRESENT TIME.
BY NED BUNTLINE.

IT IS THE GREATEST NAUTICAL NOVELETTE SINCE THE DAYS OF MARRYATT.

THE NEW YORK MERCURY is sold by all newsmen and periodical dealers in America. To subscribers, it is regularly mailed every Saturday morning, for $2 a year; three copies for $5; six copies for $9; eight copies for $12, with an extra copy, *free*, to the getter up of the club. Six months' subscriptions received. *Always write plainly the name of your Post Office, County, and State.* We take the notes of all specie paying banks at par. Payment must invariably be made in advance.

☞ Specimen Copies sent free to all applicants.

DR. HOOFLAND'S
BALSAMIC CORDIAL
FOR THE SPEEDY CURE OF
Coughs, Colds, Influenza, Croup, Hoarseness, Bronchitis, Pneumonia, Diseases of the Bowels, arising from Cold, Incipient Consumption, and for the relief and (if at all possible) cure of Patients in advanced stages of the latter diseases.

The Balsamic Cordial is entirely a Vegetable production, combining the healing properties of the Balsam, with the invigorating qualities of a Cordial, producing a combination so well adapted to the purposes intended, that there are but few cases of disease which will not, at an early period, succumb to its healing and life giving properties.

For ages, has the treatment of pulmonary diseases occupied the greater portion of the attention of the scientific of the medical world, but none acquired more eminence in his treatment of these diseases, than the celebrated Prussian Dr. Hoofland, the originator of the Balsamic Cordial. His life was devoted to the production of remedies that would stand unrivalled. How well he has succeeded, the American people are able to judge: and we positively assert, that no preparations that have ever been placed before them, have conferred the same amount of benefits on suffering humanity, or have elicited so many commendations from all classes of society, as the remedies of Dr. Hoofland, prepared by Dr. C. M. Jackson & Co., of Philadelphia.

The Cordial is designed for a class of diseases more general and more fatal than any other to which the people of this country are subject—those springing from a *"slight cold."* That eminent authority, Dr. Bell, says: "I will not say that Colds are to our inhabitants what the *Plague* and *Yellow Fever* are to those of other countries; but I can aver confidently that they usher in disease of greater complicity and mortality than these latter."

Entirely Vegetable!
No Alcoholic Preparation!
DR. HOOFLAND'S
CELEBRATED
GERMAN BITTERS,
PREPARED BY
Dr. C. M. JACKSON & Co., Phlad'a, Pa.
WILL EFFECTUALLY CURE
Liver Complaint, Dyspepsia, Jaundice,
Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach.

Such as Constipation, Inward Piles, Fulness or Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choking or suffocating sensations when in a lying posture, Dimness of Vision, Dots of webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of evil, and great Depressions of Spirits, and will positively prevent **YELLOW FEVER, BILIOUS FEVER, &c.**

The Proprietor in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a twelve years' trial before the American people, and its reputation and sale are unrivalled by any similmilar preparations extant. The testimony in its favor given by the most prominent and well-known Physicians and individuals in all parts of the country is immense, and a careful perusal of the Almanac, published annually by the proprietors, and to be had gratis of any of their Agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

READ THE EVIDENCE.

From J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to "Hoofland's German Bitters," prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

Philad'a, June 23, 1861. J. NEWTON BROWN.

Read what the eminent Glass Manufacturer, JOHN M. WHITALL, *says of the BALSAMIC CORDIAL.*

DR. C. M. JACKSON—Respected Friend: Having for a long time been acquainted with the virtues of thy BALSAMIC CORDIAL in Coughs, Colds, Inflammation of the Lungs, &c., I thus freely bear testimony to its efficacy. AYER'S
Sarsaparilla
FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints:

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases:

OAKLAND, Ind., 6th June, 1859.

J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully. Yours,

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy:

Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of *Dropsy*, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous *Malignant Erysipelas* by large doses of the same; says he cures the common *Eruptions* by it constantly.

Bronchocele, Goitre or Swelled Neck.

Zebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a *Goitre*—a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes: "I meet cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases* of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhœa by it, and some where the complaint was caused by *ulceration* of the *uterus*. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerous *ovarian tumor* on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1859.

DR. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of *Venereal and Mercurial Disease*. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 6th July, 1859.

DR. J. C. AYER: Sir, I have been afflicted with a painful chronic *Rheumatism* for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM.

Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an *affection of the Liver*, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than *derangement of the Liver*. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.
