DRY GOODS,
Groceries, Boots, Shoes, Crockery and Hardware, ever before offered in this city, to which they invite the attention of all concerned.
Knowing that money is the great lever of human actions, and that people think more of their "purses" than they do of anything else, and that the great seeking question is, "Where can I trade the cheapest, and thereby save the most money?" we answer in a few words as possible, that this is
THE PLACE.
Where you can invest your money and obtain more goods for a dollar than at any other Store in town. We have adopted the ready pay system, and we are determined to make it an object for ALL who wish to pay down for their goods to trade with us. A difference of about twenty-five per cent. (in favor of our customers) will readily be seen, between our prices and those who trade. We mean what we say, and will satisfy all who call on us, that it is a FACT. We particularly invite the Ladies to examine our stock of beautiful
Silks, Shawls, Gaiters, DeLaines, Cambrics, Merinos, Gingham, Calicoes, Linens, Embroideries, Trimmings, Undershirts, Hoop, Prints, And cards and stacks of other goods, too numerous to mention.
To the Gentlemen we would merely say that we are doing more in the clothing line, and propose to outfit a man or over in a shape and style that his shadow will be in the fashion.
To the World at Large
We say give us a call and satisfy yourselves that there is no store in town where you can get the best of goods at astonishingly low prices, as we are determined to sell goods cheaper than they were ever before sold in this market. No grumbling, or charges made for showing goods.

THE LANSING SAN-HORN BAND—This band under the tuition of their able and efficient leader, Mr. Wilson, is really becoming the pride of our young city. If old Okemos were living, he would be compelled to admit that his music beats the whee whoop, and this would be enough for him to concede. Success to the Lansing San-Horn Band. Dr. J. W. KERRICK'S CELEBRATED
VEGETABLE FLYING PILLS,

THESE PILLS ARE ENTIRELY FREE FROM OPIUM, AND THEY MAY BE TAKEN AT ANY TIME BY OLD OR YOUNG, WITHOUT CHANGE IN ENJOYMENT OR LABOR. THEY ARE A MOST VALUABLE MEDICINE, AND A FULL AND COMPLETE CURE IN ALL CASES OF CONSTIPATION.

THE FROST—We had something in the way of frost here, week before last, but it was only a nibble around the edges in comparison to what we have had since. Last Friday night was another of our green thimble of "tender age." It was not merely a frost—it was literally a snow. Ice was formed of over a quarter of an inch thickness. The corn crop can now be considered as harvested. The wheat crop, we fear, a considerably damaged. Apples are filling, and in price, but from the trees; cherries ditto. Currents show deeply in this, as in all current states. Potato roots have gone to ground. Tomatoes are "six can rouse." Beans are among the things that have been. And finally, notwithstanding the possibility of war, there will probably not be grape enough raised in this vicinity to host a pop-gun. All hail, King Frost!
