Inflammation of the Eyes.

Like all other inflammations, is caused by impurity of the blood, which causes all eruptive diseases, as salt Rheum, Scars, Itch, Swine, &c. The blood being unclean, and of an impure nature, also occasions Dropsy. The blood becoming obstructed in the veins, it swells them, and causes the face to be swollen, and the feet to swell, and dropsy is the result. Many times it is occasioned by improper treatment of some eruptive disease, and the vessels being filled by some humor instead of blood. Free evacuations by your pills, open the passage into the kidneys and carry off the corrupt humors, and restore them with pure and healthy blood, which will drive out of the body all inflammation, together with eruptions of the skin, and all dropsical complaints. They will be a shield to every form of disease, and keep you from the cold gripping hand of death, and cause life and strength to return, and the complexion to brighten with the bloom of beauty and health.

Dr. Moore's Indian Root Pills are sold by all dealers in Medicines.
