A Collection Taken for the Armenian Sufferers.

At the Calumet M. E. Church.

Last Evening's Post Up \$171.55—Resolutions Endorsed and Adopted—Treasurer's Report.

Last evening at the Calumet M. E. church the Rev. C. S. Eastman preached on the Armenian question and his address was a strong and forcible presentation of that subject.

WHEREAS, He has refused to carry out his oft-repeated promises to reform said evils, but has rather increased them by giving his assent for quartering large bodies of troops among them...

WHEREAS, He has plundered their country, burnt their towns, and destroyed the lives of their people;

WHEREAS, He is at this time transporting large armies of mercenaries to complete the works of death, desolation and tyranny already begun...

WHEREAS, He has brought into their country the merciless Kurdish savages, whose known rule of warfare is an indiscriminate destruction of all ages, sexes and conditions;

WHEREAS, In every stage of these oppressions the Armenian people has petitioned for redress in the most humble terms, but their petitions have been answered only by repeated injury; and a Prince whose character is thus marked by every act which may define a tyrant is unfit to be the ruler of a people;

WHEREAS, That we, citizens of New York, in mass-meeting assembled, solemnly declare: That in our opinion the Sultan of Turkey has forfeited all right to rule over the Armenian people;

That we respectfully urge our government to make every possible effort to induce the governments of christianity to rouse themselves from their apathy and put an end to this miserable state of affairs...

That we urge upon our government also to do everything in its power to preserve the fruits of American missionary toil;

That we express our ardent sympathy with the sufferings of this persecuted race; and

That we call upon the people of christianity to insist that those unutterable sufferings shall cease.
