THE RAILROAD MIND

GROWING DEMAND FOR A NEW KIND OF MENTAL APTITUDE.

Quickness to Act and a Pledge to Master Detail—Origin of Railway Slang—A Farmer Boy's Fatal Mistake—Good Management.

The railway when it came into the human world brought a demand for a new kind of mental force of aptitude.

In the history of national banks one can read the shadowy import of the word "inspection," but there the least work...

A NEW FORM OF MIND. Many railway slaughterers have not lifted from the slowness of educational processes.

Why should the public, which cannot inspect a bank or a milk can, fall at the men who come only to deliver their "speaking railroads"?

Only last week one of these boys of the farm, mired by his vanity, received railway work, met his death because of mental laziness.

Others you have such a thing as a young fellow about the house. If so, let him try to read the book by the young man in a few hours.

Another plan would be to avoid laughing at young men. Wait till he has gone through with his exercise and looks up in your eyes for a twinkle of merriment.

Should you finally wish to be more severe, however, you can invite a young girl to be present during the young man's story.

Some friends are annoyed by railway art. The president himself could hardly be commiserate or construct a bridge or keep a car on a switch.

Our Chinese immigrants. Our Chinese immigrants are mostly from the province of Kwangtung, and are usually country people.

It is in the cities among the colonies, many of whose members know no foreign word, that these customs are most closely followed.

Various legends are current of his having appeared to protect his followers—even in the new world, notably at a fair which took place in the Chinese quarter at Havana.

At the New York dinner a number of novel papers contributed to the success of a very interesting evening. Just as the dancing was about to close one of these individuals who excite attention in a crowd...

How to Estimate an Income. A capitalistic demand for our city's money annually by a sum equal to the income upon \$1,000 in government bonds...

An OBNOXIOUS BEAU. DE L'NYE ADVISES A YOUNG LADY WHAT TO DO. He Suggests a Judicious Use of a Younger Brother—Said Music Recombination—Avoid Laughing at His Funnies—Stories—Other Plans.

Do not be discouraged. Let me know how you get on with the suggestions I have made above and I am confident we will succeed.

Have you ever tried wearing a large, tall hat with a craned brim in it to the theatre and sitting in the front just in front of him?

Where He Heard It. "Why, Robby," said his mother very much shocked, "where in the world did you hear that expression?"

LOWELL'S BOYHOOD.

I cannot remember now whether it was in the early spring after our first winter in the big cabin, or in the car part of the second winter, which I can't say if there, that it was justly thought if I should leave these vain delusions and go to earn some money in a printing office in X—

The foreman wanted me to go back with him in his buggy, but a day's grace was granted me, and then my other brother took me to X—, where he was to meet my father at the railroad station on his return from Cincinnati.
