The magnetic waters of the well have been proved beyond all doubt to possess wonderful qualities for curing rheumatism and last fall the baths were extensively patronized by people outside of the county. So far no attempt has been made to advertise the magnetic waters, but this year it is the intention of the company to expend several thousand dollars for the purpose of making known the great curative qualities of the magnetic waters.

A number of persons who subscribed for the stock when the enterprise was first commenced, have not paid the

amount they subscribed, and measures will be taken to compel payment by delinquent subscribers.

The bath house is one of the finest and best arranged in the country, and we believe it will not be many years before large numbers of people, afflicted with various ailments, will come to this city to bathe in the magnetic waters.
