

NATIONAL UNION TICKET.

Democratic State Nominations. For Governor—GEN. ALPHRUS S. WILLIAMS.

For Congress, Sixth District—JULIUS K. ROSE.

COUNTY TICKET.

For Sheriff—MAJOR EPHRAIM W. LYON.

Our County Ticket.

The ticket nominated by the Democratic County Convention on the 27th ult., is one that will command the respect of every elector in the county.

Maj. E. W. Lyon, candidate for sheriff, entered the army in 1861 as a captain in the 8th Michigan Infantry.

For Treasurer, the Convention re-nominated by acclamation, Thomas W. Jackson.

The candidate for Clerk, H. B. Ferris, was also nominated by acclamation, a compliment which Mr. Ferris has fully earned.

Capt. Rolla Glover, candidate for Register, is fortunately free from the family sin of Mr. Ferris.

not have selected a better man for Register. Dan. P. Foote who is nominated for Prosecuting Attorney, was two years ago a candidate for the State Legislature.

John J. Wheeler, candidate for Circuit Court Commissioner, is widely and favorably known throughout the county as one of the leading members of the bar.

Lewis Leffler, nominee for County Surveyor and Drs. Rouse and Northrup, nominees for Coroners, are all men of character and ability.

Now is the time for work—for down-right hard blows in behalf of country. The issue dividing parties is of no ordinary character.

The Conservative doctrine is in accord with the position assumed by Congress in 1861: There is no right of secession in a State.

This is the doctrine of the Conservative party. Its application to the recent attempt on the part of individuals at the South to subvert the Federal authority within State limits and

to take the States themselves out of the Union, is easy. The action of such individuals was treasonable, and they themselves traitors.

Why then does not the resumption of those practical relations between them and the General Government follow? Simply because Radicalism stands in the way.

This, then, is the position of the two great parties of the country—the one for the immediate restoration of all the States to their normal position in the Union.

The Rumpy Pyramid. For WHITE SOLDIERS TO FIGHT OCT. Fifty dollars bounty for the two years white soldiers!

Our opponents claim that there are no legal State governments in any of the Southern States except Tennessee.

When the philanthropic Member of Congress from this District came to vote on the appropriation bill which included the Soldiers' Bounty provisions as well as an increase of pay for the honorable member, at the last session of Congress, he uttered some very patriotic sentiments touching the poor soldiers, and expressed his desire to do him justice, and his horror at the direful necessity he was under of voting, either to defeat the bounty provisions or to put money into his own pocket.

It was a result of his labor. The increase of pay also became a law—thanks to the same capacious intellect. A petty \$2,000 likewise came to the open pocket of the astute John F.

THE DEACON'S COW.—A contributor to Harper's Monthly tells a story of a certain deacon who was once the best of men, but by nature very irascible.

One of the "Bureau" officials travelling last week in the cars in Alabama, noticed a lady with a negro girl in attendance, and he remarked, "Madam, I see you have one of my children."
