The reason of this sale is "simply being overstocked," too much goods for this part of the season. You can only realize the great importance of this sale and the grand values we are giving when you see the goods and the exceedingly low prices, and when you do see this it will convince you beyond a doubt that this is the sale of all sales, the opportunity of all opportunities the time of all times to buy and save money on the Season's Choicest Merchandise.

Never before have we prepared a more attractive array of interesting values. We stand back of every price made herein and goods advertised will be sold for two weeks if quantity lasts.
