NO MORE GRAY OR FADED HAIR

Women and men who use PARISIAN Sage can be sure their hair will never turn gray.
PARISIAN Sage will preserve the natural color of the hair; stop it from becoming faded and lifeless, and by nourishing the hair root give to the hair a lustre and radiance that commands admiration.
PARISIAN Sage stops falling hair; banishes dandruff; makes the scalp clean and free from itches and promotes a growth of heavy hair.

ALFERD R. LOCKE
Democratic candidate for Prosecuting Attorney of Ionia County

To the Voters of Ionia County

From December 10, 1910 to May, 1912 on account of the unfortunate illness of Dwight C. Sheldon, then prosecuting attorney, I did the work of his office as his assistant. In May, 1912, Judge Davis appointed me to the office of Prosecuting Attorney to fill the vacancy caused by the death of Mr. Sheldon.

During all this time I have earnestly endeavored to perform the duties of the office and to enforce law and order in our county.

I am now a candidate for election to this office upon the Democratic ticket. The duties of the prosecutor's office requiring my personal attention I cannot make a canvass of the county. I shall be pleased to have you, the voters of this county, consider the record of my work, and if my conduct of the office meets with your approval, to have your support at the November election. If I am elected I pledge you that I shall do all in my power, fairly and impartially without fear or favor, to enforce law and order in this county.

I shall give personal attention to all complaints and make careful investigations so that the innocent may not be unjustly prosecuted, and the guilty will be promptly and vigorously brought to trial, and in so doing endeavor to keep the expense to the county in administering justice as low as possible. Yours respectfully,
ALFERD R. LOCKE, Adv.
