Importance of Habit.

Doing a thing just once don't help much. It is Habit that makes the little things count. We wish to impress this upon the minds of all. If you get into the Habit of placing a certain amount in the bank once a week, you will soon be casting frequent glances at your Bank Book and wonder how you did it.

Madam - Why Submit Longer!

You are expected to prepare meals that will be relished. You are expected to keep the gas and grocery bills down to a minimum. Then demand your rights. You are entitled to a "GARLAND" GAS RANGE.

You may be permitted to drudge away in the kitchen sacrificing time and energy to make up for the short-comings of a faulty stove. Nevertheless, you are expected to preside at the table with a smile and cheery word for all.

You are entitled to the real kitchen comfort that will be yours with the "Garland" Gas Range—the last word in economy, convenience and reliability. You can own one easily. Let us explain how.
