Most men wouldn't do a thing if they didn't need the coin.

The more a man gets the more he wants—unless a police judge is dealing it out.

A child's cuteness or impudence depends on whether it belongs to you or to one of the neighbor's.

**Says Drink Water If You Wish to Grow Fat and Plump**  
THIN MEN AND WOMEN

**Do You Want to Get Fat and Strong?**

The trouble with most thin folks who wish to gain weight is that they insist on drugging their stomach or stuffing it with greasy foods, rubbing on useless "flesh creams," or following some foolish physical culture stunt, while the real cause of thinness goes untouched. You cannot get fat until your digestive tract properly assimilates the food you eat. Drink a glass of cold water four or five times a day and take the following preparation known to reliable druggists almost everywhere, which seemingly embodies the missing elements needed by the digestive organs to help them convert food into rich, fat-laden blood. This preparation is called **tonoline**, and much remarkable testimony is given as to its successful use in flesh building. Tonoline which comes in the form of a small non-injurious tablet, taken at meals and mixed with the digesting food, tends to prepare fat, flesh and muscle building elements so that the blood can readily accept and carry them to the starved portion of the body. You can readily picture the transformation that additional and previously lacking flesh making material should bring your cheeks, filling out hollows about your neck, shoulders and bust disappearing, and your taking on from 15 to 30 pounds of solid healthy flesh. Tonoline is harmless, inexpensive, efficient. All druggists have it and are authorized to refund your money if weight increase is not obtained as per the guarantee found in each large package.

Caution:—Tonoline is recommended only as a flesh builder and while excellent results in cases of nervous indigestion, etc., have been reported, care should be taken about using it unless a gain in weight is desired.—adv.

Perhaps nothing is calculated to make a girl so angry as the thought that a young man thinks she would not resent being kissed by him.

A man isn't necessarily bashful because he declines to meet his obligations. But one doesn't need to be a bantamist in order to recognize a blooming idiot.

**FOR SHERIFF**

**Eugene L. Vohlers**  
OF IONIA TOWNSHIP  
**Democratic Ticket**

I will very much appreciate the support of the electors of Ionia county who favor a business like administration of this important office.

MR. VOTER: I notice that Mr. Lowrey has printed upon his campaign card the following: "To the voters of Ionia county: I am asking for your support for a second term as Sheriff of Ionia county for the reason that I have conducted the office in an honest and efficient manner with less help and less expense to the taxpayers than the office has been run in years. (I invite your inspection of the records in the County Clerk's office to substantiate my claim.) If you believe in a square deal, and I think you do, VOTE FOR ME AT THE NOVEMBER ELECTION. ED. N. LOWREY."

Feeling that the voters have not time to examine the expense records in the County Clerk's office, I have done so, and find the yearly expenses of the four last Sheriffs are as certified below by George W. Moulton, County Clerk:

I hereby certify that the total amount as allowed by the Board of Supervisors, as appears by the Supervisors' Journal, and paid by the County for bills of the Sheriff and Deputy Sheriffs only, of Ionia County, for the years following:

1906	\$ 6,461.93
1907	5,908.86
1911	8,125.32
1915	12,971.98

Dated Ionia, Michigan, September 28th, 1916.  
GEORGE W. MOULTON, Clerk.

Lowrey cost the county in one year \$6,510.05 more than Fales in his last year, 1906.  
Lowrey cost the county in one year \$7,063.12 more than Cilley in his first year, 1907.  
Lowrey cost the county in one year \$4,846.66 more than Taylor in his first year, 1911.  
What does Mr. Lowrey mean when he says he has conducted the office with less help and less expense than the office has been run in years?

Yours truly,  
**EUGENE L. VOHLERS.**

**IF YOU ONLY KNEW**  
that you could have those old badly decayed roots and teeth out without torture you would not delay any longer. Ask your family physician what it means to your general health to keep a mouth filled with old roots discharging pus more or less. We will take them out for you so easily without sleep-producing drugs you will have no fear. We have many patients from western Michigan sent by those who know. We make full sets of teeth without plate covering roof of mouth, which are a great success and can give best of references. Call and see us. C. D. Owens, Inc., Dentists, Dr. J. A. Jarvis, Dr. F. C.
