**No Need To Be Thin,
Scrawny or Sallow**
If you are thin and want to be
plump; if you have wrinkles in your
face that you are not proud of; if
the skin is sallow or subject to pimples
or blackheads, take Mi-o-na stomach
tablets for two weeks and notice the
change.
The majority of the thin people are
thin because the stomach does not
perform its duties properly. It is
not secreting sufficient of the nat-
ural digestive juices and in consequence
does not extract from the food enough
nutritive matter to nourish every
part of the body.
Mi-o-na stomach tablets are in-
tended to build up the stomach so
that it will act properly and extract
from the food the elements necessary
to form flesh.
If you are thin try two weeks
treatment of Mi-o-na stomach tablets
—they are small, easily swallowed
and are sold on the guarantee of
money back if they do not overcome
chronic indigestion, acute, or chronic,
stop stomach disturbance, belching
heartburn, sour stomach and any af-
ter dinner distress.
For sale by Wortley & French and
all leading druggists.

The Nurses
To and fro, up and down the long ward
Like ministering angels they go;
Their faces are sweet, their garb is
neat,
Their voices are soft and low.
Pain racked bodies are deftly touched
By fingers that know just how;
And the angel of pain flew off in a
huff,
As before their sway he must bow.
Fever crazed brains are soothed by a
word;

The dispondent are bidden "have
cheer;"
Then courage and health come back
again
When the brave nurse is near.
Tis a queer old world, but we never
feel
The doctor is truly a friend;
When death grips the heart with icy
clutch,
To the nurse we turn at the end.
