IS STILL A MYSTERY.

No Light Thrown on Disappearance Years Ago of Maki Girl.

Abram Maki, residing on Stanton avenue, returned last Sunday from Mass City where he was called by a man who claimed to know something about the disappearance of his six-year-old daughter eight years ago. The story of the mysterious disappearance was printed in last Saturday's News. It now appears that there is no clue whatever to the missing girl. The man who wrote two conflicting letters requesting Mr. Maki to come to Mass City, had heard a spiritualist say that he saw the Maki girl in his dreams, but it developed there is nothing new in the girl's disappearance.

ONLY ONE OBJECTION.

Only one objection was raised to the valuations of property in Mohawk, as set forth by the supervisor in his preparation of the township assessment roll, at the session of the Alloway township board of review Monday and Tuesday. The board met in the Mohawk mine office. The tax roll will be turned over to the township treasurer within the specified time and he will then send out notices of the township tax collections. The rate will be determined when the board decides what money will be necessary to conduct the affairs of the township during the coming year.

The track is in fairly good shape and will be much improved when the steam roller is run over it. The boys are enthusiastic and practicing hard.

FLOAT FOR CELEBRATION.

BIG WHITEFISH CAUGHT.

"No," said the fish expert at Booth's this morning, "that monster there is not a whale. It's a whitefish. Yes, sir, just a whitefish, but it's the biggest that ever came out of Lake Superior so far as I ever heard. It weighs only thirty-six and one-half pounds. Some fish, eh?"

It was "some" fish. Capt. John Maloney, a well known fisherman, caught it at the north end of Isle Royale, and sent it to Duluth by the Booth line steamer which arrived this morning. The average weight of a whitefish is about three pounds and a six-pounder is considered a large catch.

Capt. Maloney had a stiff fight for nearly an hour with the big fish.—Duluth Herald.
