

**REV. RUFSEVOLD TO PREACH  
FAREWELL SERMON SUNDAY**

Pastor of Norwegian Lutheran Church of Calumet Leaves Next Monday.

**FARGO PASTOR COMING HERE**

Rev. Martin Rufsevold, of the Norwegian Lutheran church of Red Jacket, who resigned some time ago from the pastorate of the church, leaves for Marinette, Wis., next Monday afternoon. He will preach his farewell sermon next Sunday morning, and the church is planning to tender him a farewell reception Sunday evening, for which a good program has been prepared.

It is with regret that the friends of Rev. Rufsevold and his family view their departure. Rev. Rufsevold has served the Red Jacket church nearly five years, during which time he and his family have made many friends.

Rev. Rufsevold will leave his family in Marinette for the summer vacation and will not take up any work himself for two or three months. He has a number of calls from congregations in various parts of the country under consideration, but has not accepted any of them as yet.

While at the convention of the Norwegian Lutheran Free church of America at Valley City, S. D., this month, Rev. Rufsevold was elected to several important positions in the church synod. He is chairman of the board of organizations of the church, which is the head council of the synod. He also was elected president of the synod, but declined to accept this honor.

Rev. S. Romsdahl of Fargo, N. D., who comes to take up the ministry of the local church about the middle of July, is a former pastor of the church. Seven years ago he resigned the pastorate after serving for six years. Since that time he has been at Fargo.

**FISHERMAN PAYS A FINE.**

Isaac Niva pleaded guilty in Justice Fisher's court yesterday to having in his possession pike underweight. The arrest was made by Warden John Gilt. Niva was fined \$5 and costs, and the fish seized to be underweight were confiscated by the officer.

Another similar case is pending in Justice Fisher's court, the defendant being named Bell. This case will come up for examination tomorrow morning.

**SLOVENIAN-CROATIAN UNION  
CONVENTION AT SOUTH RANGE**

Annual National Gathering of Affiliated Societies to be Held in August.

**DELEGATES ARE BEING NAMED**

The annual convention of the Slovenian-Croatian Union of the United States will be held at South Range, Aug. 1, 2, 3, and 4. This was decided at the meeting of the representatives who went to South Range last week to arrange for the convention.

The Slovenian-Croatian population of Houghton and Keweenaw counties is very large and the order has more members in this district than in all the rest of the United States. Besides a few societies in Minnesota, the delegates to this convention will all be from the upper peninsula.

The numerous societies of Calumet, called by many names but still belonging to the union, are now holding elections to name delegates to the convention at South Range. The St. Joseph's society met last Sunday and elected the following delegates: Frank Sedlar, Mike Kloubcher, Paul D. Speicher, Paul Schmeier, Peter Pasich, Joe M. Sumanich, Mike Sunich and Joseph Stefanich. The elections of the other societies will be held during the month. Many others outside the appointed delegates, are planning to attend, so that the 50 or 60 who will be appointed will not be alone in the festivities.

**B. SOPHOMORES CHAMPIONS  
OF INTER-CLASS LEAGUE**

The Junior baseball nine was easily defeated in the deciding game, played at the Y. M. C. A. park yesterday, by the "B" Sophomore boys, the score being 18 to 7. This was an extra game as the regular scheduled series ended in a tie between those teams. Both teams appeared on the diamond with their strongest line-ups and it looked as if a close match would ensue, but Ellis the third year twirler was found often for the first time this season. This and two costly errors in the early part of the game were sufficient to let in enough scores to win the contest. The feature of the game was the batting of Weir and the fielding of the short stop for the second year men! Following is the score by innings:

|            | R. | H. | E. |
|------------|----|----|----|
| Sophomores | 18 | 11 | 4  |
| Juniors    | 7  | 8  | 9  |

The following are the way the teams stand:

|                | W. | L. | Pct. |
|----------------|----|----|------|
| "B" Sophomores | 8  | 5  | .615 |
| Juniors        | 7  | 6  | .538 |
| "A" Sophomores | 4  | 6  | .500 |
| Freshmen       | 2  | 19 | .102 |

**SALOON KEEPERS BOUND OVER.**

William Grosse, John Phillips and Matt Lahti, three saloon keepers of the Renova location, appeared before Justice Fisher this morning to answer to a charge of violating the liquor laws, it being alleged that they were open on a Sunday.

The defendants decided to waive examination, and were bound over to the next term of circuit court. Bonds of \$500 each were asked and furnished. Deputy Sheriff Gunderson made the complaint, and summoned a number of witnesses who were alleged to have been in the saloons drinking at the time specified in the complaint.

**GAVE SPLENDID CONCERT.**

The St. John's Croatian Mandolin society gave a very interesting concert Sunday evening in the basement of St. John's church. Several first-class selections were rendered, and the concert was thoroughly enjoyed by a large audience. The St. John's Mandolin band is the only one of its kind in this district.

WILLIAM WAAS FOUND MUCH OSBORN TALK IN BAY CITY

Laurium Man Says Enthusiasm for Soo Candidate is Pronounced There.

**IS HOME FROM CONVENTION**

"I had the pleasure of both meeting and listening to Chase S. Osborn, while I was in Bay City last week," said William Waas, one of the delegates of the local German Aid society to the state convention of the order, which was held in Bay City last week, Joseph Wilmers of this city, accompanied Mr. Waas.

Asked as to how sentiment was for Osborn's candidacy in Bay City and other parts of the state, Mr. Waas said that Bay City is practically sold for Osborn as are other parts of that district. "I heard nothing but Osborn, while I was there," said Mr. Waas. "It reminded me of the upper peninsula counties. It looks like Osborn all right in that district, and you may depend upon it I was mightily pleased."

Mr. Waas was honored by his fellow Germans in the state by being elected grand trustee, an honor he much appreciated. He states that the next convention will be held in Detroit, the state metropolis having been chosen.

The convention was an excellent one, according to Mr. Waas. Much business was transacted, officers elected, and the next meeting place chosen. Mr. Waas enjoyed the trip immensely, and what pleased him just as much as anything while in the lower part of the state was the enthusiasm for Chase S. Osborn, whom, he avers, will be the next governor of this state.

**ARREST CHIMNEY SWEEPS  
ON CHARGE OF BURGLARY**

Joseph Smith and John Hirik, who claim to be from Hubbard, but who are thought to be residents of Milwaukee and Chicago, respectively, were arrested by Marshal James Willis of Laurium yesterday on the charge of burglary, preferred in behalf of David Penberthy of Laurium. The men, who have made their temporary residence at Hancock, have been operating in the various towns of the copper country as chimney sweeps, and in this case it is alleged that while one of the pair sang his merry little jingle from the chimney top and scraped the soot from the interior of the same, the other, who, as assistant, was given the freedom of the interior of the house, used that privilege to collect articles of value which he appropriated. Besides Mr. Penberthy other witnesses will be summoned.

When arrested the men protested their innocence, but upon being searched a gold chain, some canned fruit and a can of tea were found in their possession, it being claimed that these articles were taken from the Penberthy home.

When arraigned before Justice David Armit last evening the men entered pleas of not guilty and demanded an examination which has been set for tomorrow. They have been remanded to the Houghton jail to await trial.

**TRACT CONTAINS 80 ACRES**

Mention was made in these columns last week of a gift of land made by John Watkins of Calumet, to the Michigan Audubon society, but instead of the tract of land being 40 acres as heretofore announced, it has been learned that the deed was for 80 acres of land.

Mr. Watkins is deeply interested in the Michigan Audubon society and the work which it is accomplishing and his gift is for the purpose of enabling the society to establish a bird and game preserve. When the society becomes financially able, the land will be used for the purpose for which it was donated.

The Michigan Audubon society, of which Jefferson Butler of 121 Gram-mood avenue, Detroit, is secretary, is taking a prominent part in the national movement to preserve all species of wild life, particularly the bison, the wild pigeon and birds and animals which are native to Michigan.

The land which Mr. Watkins has donated to the society is admirably suited to the establishment of a preserve.

**SACRED HEART SCHOOL  
TO GRADUATE THIRTEEN**

Rev. Fr. Sigismund Will be the Speaker of Evening--Fine Program Ready.

**FORMER PASTOR VISITS HERE**

Preparations are complete for the commencement exercises of the Sacred Heart schools to be held this evening at the auditorium of the school. Thirteen young people will receive diplomas this evening, they having completed the regular courses of study of the school. The program is one of exceptional merit. The salutatorian, Miss Margaret Mantz, and the valedictorian, Miss Florentine Heimlich, as well as other members of the class have worked hard to prepare their numbers and they will undoubtedly win the appreciation of those who attend the exercises. The C. & H. orchestra will render music during the evening. The commencement address will be given by Fr. Sigismund, former pastor of the Sacred Heart church.

Rev. Father Sigismund, now of Cincinnati, will be the guest of honor at the commencement exercises this evening. Fr. Sigismund arrived in Calumet this morning for a short visit with his old friends in this city. His presence will undoubtedly add to the pleasure of the commencement.

The complete program to be given this evening is as follows:  
Processional, C. & H. orchestra.

**LAST SHOW OF THE SEASON.**

The great sale for the production of "A Woman's Way" by Grace George, in the Calumet theater tomorrow evening, opened this morning. A good demand for seats is reported. This attraction will mark the close of the theatrical season in Calumet. The theater will be closed Friday morning, and remain closed for the next three weeks in order to allow of the Glass Block Store company to carry out the interior decorations, according to the contract the firm secured from the Red Jacket council at a recent special meeting.

**BURIAL OF SON HERE.**

Mr. and Mrs. Thomas Maalin, former residents of this city, arrived in Calumet this morning over the Northwestern road from Bingham, Utah. They accompanied the remains of Lee, their four-year-old son, who died in the western state, about one year ago. Mr. and Mrs. Maalin decided to exhume the remains and bring the body to Calumet for re-interment. This will take place tomorrow afternoon at Lake View cemetery. Mr. and Mrs. Maalin will spend about three weeks here, visiting at the home of Mrs. Charles Retalik of Depot street, Laurium.

**CHICAGO TO LAURIUM IN  
AN AUTO IN FOUR DAYS**

After a four days' ride from Chicago to Laurium in an automobile, Mr. and Mrs. C. B. Kottenhoef and three children, also Victor Harrington, arrived yesterday to spend a few days as the guests of Mr. and Mrs. M. E. O'Brien of Laurium. The entire trip from the windy city to Laurium was made in the automobile, and as one of the party proudly remarked yesterday, it was not necessary for them to use any other mode of travel over a single foot of the journey. The party followed the Wisconsin state road as far as Watermeet, then went across country to Rockland, a distance of about 20 miles, from where no difficulty was experienced in reaching Calumet.

The trip was made in a No. 17 model Buick car, forty horse-power. On its arrival here, the machine appeared to be in first class condition in every way. It was taken to the Superior garage, where it was thoroughly examined and pronounced equal to the return trip. No tire trouble was experienced although the machine was not equipped with new tires when the trip was commenced.

This is the second time the trip from Chicago to Calumet has been accomplished in an automobile, a party having made the same trip last summer. According to those who made the latest successful attempt, the roads are in good condition with the exception of the stretch where there is no regular road, between Watermeet and Rockland.

Considerable interest is manifested in the accomplishment of this feat by local people because of the fact that local auto enthusiasts have been unable to leave this section owing to the poor roads in Baraga and Marquette counties. It apparently opens up a new public highway from the copper country to the outside world.

**IN THE JUSTICE COURTS.**

**Woman Arrested on Charge of Slander--Disputed Bill is Paid.**

Mary Manvrin was arrested yesterday and brought before Justice Fisher on a charge of slander. When asked to plead, the woman denied the accusations imputed to her. She was bound over to appear in court Friday morning of this week, when the examination will take place.

Mike Fagnal was arrested and brought before Justice Fisher yesterday, on complaint of William Jacka, proprietor of the Jacka livery stables, on a charge of defrauding a livery bill. Fagnal at first entered a plea of not guilty, and was ordered to find bonds in the sum of \$200. In order to avoid this, the defendant stated that he would change his plea to one of guilty, and was let off with the payment of the bill and the costs of the case, \$10 in all.

That's what we call quality. No better demonstration of it can be found than these
